

STATE OF TENNESSEE
COUNTY OF GREENE

GREENE COUNTY LEGISLATIVE BODY
MONDAY, JULY 20, 2015

The Greene County Legislative Body met in regular session on Monday, July 20, 2015, at the Greene County Courthouse. A Public Hearing was held prior to the meeting which began at 4:00 p.m. to discuss the 2015-2016 Budget.

Jay Holloway spoke against cutting the hours at the Convenient Centers and stated that the salaries of the County Officials could be cut. Commissioner Quillen stated that the State of Tennessee set the salaries for the County Officials. Commissioner Patterson stated that by State Law, Greene County is only required to have 3 Convenient Centers, in which there are 17 Convenient Centers.

Mayor Crum called for a motion by a member of the Budget Committee to present the 2015-2016 Budget as proposed, to the full Commission. Commissioner Patterson made the motion and the motion was seconded by Commissioner Peters.

Mayor Crum called the meeting to order to transact business that is to lawfully come before the Honorable Body. Rev. Richard Long, Pastor of Browns Springs Church, gave the invocation. Hugh Bowman, Veteran of the U.S. Marine Corp. led the Pledge to the Flag.

The Commissioners signed in on their keypads and the following Commissioners were present. Commissioners Carpenter, Cobble, Collins, Hensley, Jennings, Kesterson, McAmis, Neas, Parton, Patterson, Peters, Quillen, Randolph, Shelton, Waddell, and Waddle.

Commissioners Clemmer, Miller, Tucker, Seay, and White were absent. There were 16

Commissioners present and 5 absent.

PUBLIC HEARING

- Nick Stone spoke against amending the Greene County Zoning Resolution concerning the solar farms, as referred to in Resolution E, within the unincorporated territory of Greene County, Tennessee.
- Brian Bednar, President of Birdseye Renewable Energy, spoke to the Commission regarding the development of solar farms in amending the standards for future solar farms.
- Commissioner Hensley called Glenn Coffey to speak against the amending the Greene County Zoning Resolution concerning the solar farms. He asked if anyone had done study regarding the loss of taxes for Greene County due to people moving close to a solar farm.
- Joel Houser spoke to the Commission concerning the need for more recycling at the convenient centers through Sold Waste.
- Commissioner Cobble spoke to the other Commissioners, concerning the Supreme Court ruling, in regards to issuing same-sex marriage licenses. He stated that he had spoken to Greene County Clerk, Lori Bryant, in regards to the ruling. He stated that Ms. Bryant is being forced by the Supreme Court to go against her Oath of Office to uphold the State Constitution. He said that the Commission needed to support her, in the oath that she took when she took office.

Commissioner Cobble called on Jeff Cobble to speak concerning the Supreme Court ruling. Mr. Cobble stated that the State of Tennessee needs to take action and force the nullification against same-sex marriage.

Commissioner White arrived at the Commission Meeting at 6:10 pm.

APPROVAL OF PRIOR MINUTES

A motion was made by Commissioner Quillen and seconded by Commissioner Parton to approve the prior minutes.

Mayor Crum called the Commissioners to vote on their keypads. The following vote was taken to approve the prior minutes. Commissioners Carpenter, Cobble, Collins, Hensley, Jennings, Kesterson, McAmis, Neas, Parton, Patterson, Peters, Quillen, Randolph, Shelton, Waddell, Waddle, and White voted yes to approve the prior minutes. The vote was 17 – aye; 0 – nay; and 4 – absent. Mayor Crum stated that the minutes were approved. Commissioners Clemmer, Miller, Seay, and Tucker were absent.

REPORTS

A motion was made by the Commissioner Waddle and seconded by Waddell to approve Reports from Solid Waste Department and Committee Minutes.

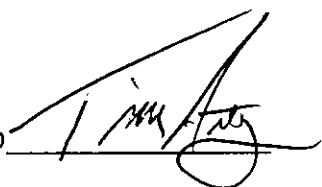

Mayor Crum then called the Commissioners to vote on their keypads. The following vote was taken: Commissioners Carpenter, Cobble, Collins, Hensley, Jennings, Kesterson, McAmis, Neas, Parton, Patterson, Peters, Quillen, Randolph, Shelton, Waddell, Waddle, and White voted yes. The vote was 17 – aye; 0 – nay; and 4 – absent. The motion to approve the Reports from Solid Waste Department and Committee Minutes passed. Commissioners Clemmer, Miller, Seay, and Tucker were absent.

Mayor Crum requested that a copy of the Highway Department Inventory yearly reports be included in the minutes.

**GREENE COUNTY ROAD COMMITTEE
MINUTES OF MEETING
MAY 26, 2015**

**PRESENT
TIM WHITE
ZAK NEAS
ROBIN QUILLEN
FRANK WADDELL
GEORGE CLEMMER**

**ABSENT
BUTCH PATTERSON
PAM CARPENTER
HILTON SEAY**

TIM WHITE CALLED THE MEETING TO ORDER. FIRST ON THE AGENDA WAS TO READ OVER THE MINUTES OF MARCH 23, 2015. FRANK WADDELL MADE A MOTION TO APPROVE THE MINUTES, SECONDED BY GEORGE CLEMMER, AND PASSED WITH UNANIMOUS APPROVAL.

NEXT ON THE AGENDA IS CHANGING THE NAME OF BAUGHARD HILL ROAD.

THE FOLLOWING WAS PRESENT FOR THE MEETING: TOM FLAGLOR WHICH OWNS PROPERTY ON THE ROAD.

TOM FLAGLOR STATED THAT HIMSELF AND THREE OTHER PROPERTY OWNERS THAT OWN PROPERTY ON BAUGHARD HILL ROAD ARE IN AGREEMENT IN CHANGING THE NAME TO PRUITT FARM ROAD. THEY HAVE SIGNED A LETTER STATING THE REASON THEY WOULD LIKE TO HAVE THE NAME CHANGED TO PRUITT FARM ROAD. THE LETTER STATES THE EXISTING NAME IS DIFFICULT TO PRONOUNCE AND SPELL AND CREATES CONFUSION BECAUSE OF THE PRIMARY ROAD ON THE NORTH SIDE OF RADER SIDETRACK ROAD. THE FOLLOWING OWNERS SIGNED THE LETTER: TOM & SUSAN FLAGLOR, PATRICK GROOMS & HEATHER DOBSON, CHRIS & DIANE PRUITT, & DANIEL WORLEY.

ZAK NEAS ASKED WHO WOULD PAY FOR THE SIGN.

TOM FLAGLOR SAID HE WOULD PAY FOR THE SIGN.

DAVID WEEMS STATED THAT 911 WOULD NEED TO BE NOTIFIED AND THAT THERE ARE 2 MORE PROPERTY OWNERS THAT HAVE PROPERTY TOUCHING BAUGHARD HILL ROAD. THE NAMES OF THOSE PROPERTY OWNERS ARE KENNETH WEEMS AND LLOYD BAUGH.

TOM FLAGLOR SAID HE DIDN'T THINK THE OTHER PROPERTY OWNERS WOULD HAVE A PROBLEM WITH CHANGING THE NAME AND THAT HE WOULD CONTACT THEM AND 911. HE ALSO STATED THAT THERE IS NOT A ROAD SIGN UP THERE NOW.

ROBIN QUILLEN STATED AS LONG AS 911 IS FINE WITH IT ALONG WITH THE OTHER PROPERTY OWNERS THERE SHULDNT BE A PROBLEM.

TOM FLAGLOR ASKED THE COMMITTEE IF THEY WERE WILLING TO TABLE THE REQUEST UNTIL THE NEXT MEETING TO GIVE HIM TIME TO GET THE OTHER SIGNATURES AND TALK WITH 911.

DAVID WEEMS SAID HE THOUGHT ROGER WOOLSEY SHOULD LOOK OVER THE SIGNED DOCUMENT AND MAKE SURE EVERYTHING LOOKS GOOD AND BRING IT ALL BACK TO THE NEXT MEETING ALONG WITH TOM FLAGLOR GETTING IN TOUCH WITH THE PROPERTY OWNERS AND 911.

NEXT ON THE AGENDA WAS EXTENDING TAKE-OFF LANE.

THE FOLLOWING WAS PRESENT FOR THE MEETING: W.T. DANIELS AND HIS WIFE ANDY, JUDY AND JAMES BABB, AND KATHY MCINTURFF.

KATHY MCINTURFF TOLD THE COMMITTEE THAT SHE WAS JUST ASKING THE THAT THE CLOSED PORTION OF THE ROAD BE OPENED UP.

FRANK WADDELL ASKED IF SHE COULD GET TO HER PROPERTY.

KATHY MCINTURFF SAID SHE COUNDN'T FROM TAKE-OFF LANE.

ANDY DANIELS TOLD THE COMMITTEE IT IS GATED.

W.T. DANIELS SAID HE HAD TO GO FROM WHITEHOUSE RD TO GET ONTO HIS PROPERTY.

TIM WHITE ASKED WHEN THE MEASUREMENT OF THE ROAD WAS TAKEN.

DAVID WEEMS STATED BEFORE 2008.

TIM WHITE ASKED IF HE WAS CORRECT IN SAYING THAT TO EXTEND THE ROAD THE COUNTY WOULD HAVE TO HAVE A TURN AROUND AND PROPERTY OWNERS SIGNATURES CORRECT.

DAVID WEEMS SAID YES.

KATHY MCINTURFF SAID YOU WILL NOT GET JANICE FARMER'S SIGNATURE; SHE HAS PUT CROSS TIES UP PREVENTING US FROM GETTING TO OUR PROPERTY.

W.T. DANIELS STATED THAT JANICE FARMER HAS LANDLOCKED THE OTHER PROPERTY OWNERS AND HAS MADE A "TOTAL MESS" OF THE ROAD.

TIM WHITE ASKED DAVID WEEMS WHAT THE COUNTY DOCUMENTS STATE THE LENGTH OF TAKE-OFF LANE BEING.

DAVID WEEMS SAID TO THE END OF THE CHIP SEAL WHICH IS TO THE CROSS TIES.

DAVID WEEMS ASKED HOW LONG THE CROSS TIES HAD BEEN THERE.

KATHY MCINTURFF SAID SHE REMEMBERED GOING IN THAT WAY IN 2011.

ROGER WOOLSEY ASKED WHEN THE ROAD WAS CHIP SEALED.

DAVID WEEMS SAID HE DIDN'T KNOW BUT IT WAS BEFORE 2006.

ROGER WOOLSEY EXPLAINED TO THE PROPERTY OWNERS ABOUT ADVERSE POSSESSION WHICH IS CLAIMING OWNERSHIP OVER THE TIME PERIOD OF 21 YEARS BUT IN SOME CASES CAN BE 7 YEARS. ROGER ALSO SAID THERE IS A STATUTORY OF LAW FOR BLOCKING A COUNTY ROAD.

DAVID WEEMS ASKED WHEN THE OLD SECTION WAS CLOSED.

ANDY DANIELS STATED MAYBE 25 YEARS AGO.

ROBIN QUILLEN SUGGESTED DOING RESEARCH AS FAR BACK AS POSSIBLE ON THE ROAD AND COME BACK NEXT MONTH WITH THE FINDINGS.

NEXT ON THE AGENDA IS EXTENDING ROCKY POINT ROAD.

JASON CARTER TOLD THE COMMITTEE THAT HE COULDN'T SALE THE PROPERTY WITHOUT LEGAL ENTRANCE; HE HAS LEGAL ROAD FRONTAGE.

TIM WHITE ASKED WHAT WILLIAM GARDNER AND SOUTHERN RAILROAD HAD TO SAY.

TEEDEE MAUPIN SAID THEY HAVENT TALKED TO EITHER OF THEM.

TEEDEE MAUPIN SAID HE HAS TIES IN THE MIDDLE OF THE RAILROAD.

ROGER WOOLSEY STATED THAT SOUTHERN RAILROAD HAS RIGHT OF WAY.

TIM WHITE STATED THAT THE COMMITTEE WANTS TO HELP BUT DOES HAVE RULES ABOUT EXTENDING OR ADDING ROADS TO THE OFFICIAL ROAD LIST.

JASON CARTER EXPLAINED TO THE COMMITTEE THAT HE WAS ONLY ASKING FOR THE COMMITTEE TO EXTEND THE ROAD 165'.

TIM WHITE STATED SAID THERE ARE STILL ISSUES EVEN WHEN IT IS ONLY 165'. THERE ARE RULES THE COMMITTEE HAS TO FOLLOW LIKE THAT PORTION OF THE ROAD WOULD HAVE TO BE UP TO SUBDIVISION STANDARDS.

DAVID WEEMS ADDRESSED THE COMMITTEE WITH A PAPER SHOWING WHERE ROCY POINT ROAD WAS ON THE ROAD LIST AS BEING .47 AND THE GPS LENGTH WAS .46 IN 2008 MEANING THAT'S HALF OF THE LENGTH THEY WILL NEED FOR THE EXTENSION.

TIM WHITE TOLD THE COMMITTEE THAT MEANS THEY WILL NEED AN EXTRA 58' SO THE PROPERTY CAN BE SOLD; ARE YOU WILLING TO CHANGE PROCEDURES TO DO THAT.

ROGER WOOLSEY STATED THAT RIGHT OF WAY IS OVER 200' OF ROAD FRONTAGE. HE ASKED THE QUESTION IF SOUTHERN RAILROAD HAS A RULE WHERE NO ONE ELSE CAN UTILIZE ACCESS TO THEIR RIGHT OF WAY?

JASON CARTER ASKED IF THEY COULD GET A WRITTEN AGREEMENT STATING THEY HAVE LEGAL ACCESS GIVING THEM A RIGHT TO GO IN AND OUT FROM JOINING PROPERTY OWNER.

TIM WHITE TOLD JASON CARTER AND TEEDEE MAUPIN THAT IT WOULD BE HARD TO GET THE COMMITTEE TO EXTEND THE ROAD 115'.

TEEDEE MAUPIN ASKED IF HE COULD GET WILLIAM GARDNER TO SIGN THE LEGAL ACCESS AGREEMENT IF THE COMMITTEE WOULD BE OK WITH THAT.

TIM WHITE SAID THE COMMITTEE WOULD NOT HAVE A 'DOG IN THAT RACE.'

NEXT ON THE AGENDA WAS OTHER BUSINESS.

ERIC FRYE FROM GREENEVILLE WATER WAS PRESENT FOR THE MEETING.

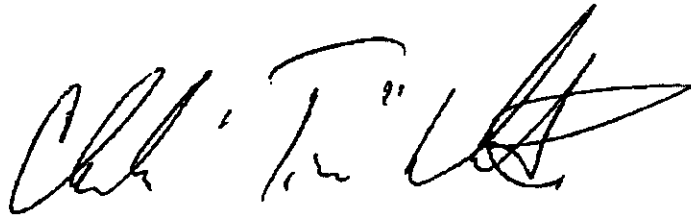

ERIC FRYE ASKED THE COMMITTEE IF WE COULD LOOK AT THE REGULATIONS AND PERMIT FEES BEFORE THE 6 MONTH EXTENSION WAS UP TO SEE HOW THINGS ARE GOING.

DAVID WEEMS ASKED ERIC FRYE IF HE WAS GOING TO GET PERMITS LIKE HE WAS SUPPOSED TO.

ERIC FRYE STATED THAT HE ALWAYS HAS.

DAVID WEEMS THEN ADDRESSED THE COMMITTEE CONCERNING THE REVENUE COMING IN AT APPROXIMATELY 5.6 MILLION DOLLARS. THE BUDGET IS 7.5 MILLION DOLLARS. THE FUND BALANCE IS 800,000. 1.6 MILLION DOLLARS WAS USED IN ASPHALT THIS YEAR. IT TAKES 3 MILLION DOLLARS TO PAVE 60 MILES A YEAR. THERE ARE 500 MILES OF CHIP SEAL ROADS THAT ARE CRACKING AND NEED ATTENTION. STATE AID MONEY IS 285,000 A YEAR.

FRANK WADDELL ADJOURNED THE MEETING, SECONDED BY ZAK NEAS.

A handwritten signature in black ink, appearing to read "Frank Waddell". The signature is stylized and somewhat cursive, with a large, sweeping flourish at the end.

GREENEVILLE/GREENE COUNTY
REGIONAL SOLID WASTE PLANNING BOARD
MINUTES
MARCH 10, 2015

MEMBERS PRESENT: Sarah Webster, Brad Peters, Jennifer Wilder, Tim Armstrong and Neil G'Fellers.

ABSENT: Robert Bird, Mark Benko, Sam Riley and John Waddell

Chairman Webster called the meeting to order.

MINUTES: The minutes of the 10-22-14 meeting were approved on a motion by Brad Peters and seconded by Neil G'Fellers. Vote was unanimous.

PRESENTATION OF THE SOLID WASTE PLAN ANNUAL UPDATE –CHRIS CRAIG, FTDD

Chris stated for the new members that the State requires an annual solid waste plan update of solid waste, recycling and reduction activities. This plan has to be submitted to the state by the end of March and has to be approved by the Regional Solid Waste Planning Board. The data base that the information is entered into is provided by the State. FTDD has a contract with the State to perform this update on behalf of each region. The annual plan reaches out 3-5 years in the future with planning for facility, equipment and recycling needs. The report is divided into chapters and Chris briefly discussed the chapters. Some errors were noted and Chris will correct these before submitting the final report. There is a new chapter on tires this year. As of July 1, 2014, the State no longer issues tire grants to counties to manage their waste tires. However, the Department of Revenue quarterly refunds the county \$1.00 for each tire that was sold in the county.

Chris then discussed a State-wide Plan called the 2025 Solid Waste Plan. He has heard that the report will look differently. This plan will be presented to the Solid Waste Control Board on March 25, 2015. Because of this new plan, the scope of work at the Development District is changing as they will be doing disaster planning and organics planning.

Motion was made by Tim Armstrong and seconded by Jennifer Wilder to approve the report with the corrections made and submit to Nashville. Vote was unanimous.

Brad Peters updated the Board about the permits for the transfer station and paint. He said David Crum, Tim and he met with TDEC in January. Tim is collecting for the county and storing and the Town is collecting and storing at Public Works. It will then be taken to the landfill and processed and then disposed of in the Class III demolition. Jennifer Wilder is talking to a recycler, who picks up the counties electronics, for our one day electronic recycling but she has not heard back from them. If we can't find a recycler, we won't be able to have the electronics recycling day.

There being no further business the meeting was adjourned.

Public Records Commission
Minutes, March 12, 2015
1:08-2:06 p.m.
Greene County Courthouse Annex

Attendance: Kay Solomon Armstrong (Clerk & Master, Chancery Court), Janie Fincher (representing County Clerk), Ted Hensley (County Commissioner), ~~Russell Kinser (County Maintenance Dept.)~~, Don Miller (Greeneville-Greene County Public Library and T. Elmer Cox Historical and Genealogical Library Director), Joy Rader Nunnally (Register of Deeds), Mel Seaton (County Maintenance Dept.), Pam Venerable (Circuit Court Clerk), John Waddle, Jr. (County Commissioner), Madge Walker (representing county at large), Emily West (from *The Greeneville Sun*)

The meeting began at 1:08 p.m.

Armstrong moved approval of the minutes of December 17, 2014. The motion was seconded by Nunnally and approved.

[1] Kinser reported that the records damaged on January 4, 2014 had been restored and returned in legible condition.

[2] At the meeting on December 17, 2014, the Public Records Commission had asked Hensley to consult with Business Information Systems or some other vendor about the possibility of having digital access to deed records and/or other county records at the library. Hensley stated that he had no information on this but would inquire further and report at a later meeting.

[3] Kinser reported that the county property at the former Department of Transportation site is available for record storage. A suggestion was made that county offices identify disposable records and have them destroyed, then move non-disposable records to the former D.O.T. site. Such action would help consolidate space at the courthouse, where storage room is very limited. It was pointed out that any use of the former D.O.T. site would need to be approved by the County Technical Assistance Service or other authoritative body before any action could be taken. Walker moved that disposable records be inventoried by county offices and that the inventories be presented to the Public Records Commission for approval of disposal. The motion was seconded by Waddle and approved.

[4] Nunnally moved that deed office records from the courthouse be transferred to the former E.M.S. building to create additional space. The motion was seconded by Armstrong and approved.

Fincher moved to adjourn. Motion was seconded by Walker, and meeting was adjourned at 2:06.

Next meeting: June 11, 2015 (Thursday), 2:00 p.m., UT Extension Conference Room

RANGE OVERSITE COMMITTEE

MAY 5, 2015

GREENE COUNTY RANGE SITE

The Range Oversight Committee met on May 5, 2015 in the conference room at the Greene County Annex. Committee members present were: Mayor David Crum, Commissioner James Randolph, Sheriff Pat Hankins, Chief Terry Cannon, Jerry Strom, Dr. Wade McCamey, and Dick Fawbush. Also present were: Dave Wright, Caroline Miller, and Ken Little. The members met at 8:30 am.

Minutes:

Motion was made by Sheriff Hankins to approve minutes from last meeting held on March 27, 2015. This was seconded by Jerry Strom with no opposition.

Discussion:

Discussion began on the visit to the range site during last meeting. Warren Hartz walked the site with the members at that time. Large part of day was spent resolving grade issues. Dave Wright has met with David Weems. David Weems is going to bring in fill dirt from the fire academy construction site on Baileyton Road.

Jerry Strom is working on obtaining the storm water permit. He believes this should be finished within a couple of weeks.

Sheriff Hankins has obtained through surplus a dozer and grader. He has also has someone skilled to operate this equipment. Sheriff Hankins asked Dave Wright about topography map. Dave Wright wants to make sure it meets range requirements for certification.

Jerry Strom asked about wood and clearing. Dr. McCamey asked if there was someone that collects pulp and chip rather than burning. He also asked if there was an engineer overseeing this work. Dave Wright said he will have someone working to oversee this work.

Dave Wright was asked for a timeline on what needs to be done, as in site prep, wood cleared, and dirt moved. He was also asked for cost of his time and for his consultants. He said he will have this information at the next meeting.

Discussion was then on the building having a classroom of 75 people. Dave then said he found a concrete logging material that will give the building a rustic look. It will also have stained concrete floors on the inside.

Dave Wright asked Jerry Strom about equipment. Jerry said the contract allows for the purchase of equipment. Dave asked about the amount of lighting needed for security at night events. Jerry

recommended not having public after dark on skeet and trap due to expenses. He also recommended security camera on each range and exterior of building.

Chief Cannon asked if construction will affect access to range. Dave Wright said construction will need to be scheduled with users to keep current range open for as long as possible.

Dave Wright said some things will have to be bid as far as construction, but asked if we need to bid for clearing. Mayor Crum doesn't think so as we are going to try and in kind much of this as far as clearing of trees and grading.

Sheriff Hankins asked if there is a way of changing to utilize all three ranges at same time. Dave Wright and Jerry Strom both said no that only two at a time can be used due to overlap. Jerry said it can incorporate a "cowboy town", and then could utilize it at the same time as other ranges because shooting in different directions.

The next meeting is scheduled for June 16, 2015 at 8:00 a.m. in the conference room at the Annex.

Dr. McCamey asked if it would be helpful to ask Forestry Service to come in and assess the trees. Jerry said there has been a tree count. They will not estimate values.

Meeting was adjourned at 9:00 a.m.

Respectfully Submitted,

Kim Hinson

From March 2015 to May 2015 had an increase of 5 in the TOP program and they feel that that is from the Biometric Screenings. Clinic has been overwhelmed trying to get the Biometrics in the clinic has had 390 visits since January. Shannon has proposed with the new fiscal year the clinic can bring in staff to knock out the Biometrics in a week with results on the screenings to be sent out to those participating and those needing a follow up if their labs were out of range will be brought in to see the provider to go over those results and get them on a program. Roger Woolsey asked if spouses need to be doing the Biometrics. Shannon will be checking on the one hour follow up visits and getting the clinic to use a radio for quiet noise to help with privacy. Clinic will be back at the June 23rd meeting to address extending the hours of the provider at the clinic from 18 to 30 or 32 hours. Issues with the clinic will need to be sent to the whole Insurance Committee.

John McInturff went over renewals on Liability and Workman Compensation carriers. The Public Identity with States the seed money has not been repaid back to the county, John is going to check on this matter. John's recommendation is that the county go with Lloyds of London they are financially stable and with possible savings to the county. Motion was made by Roger Woolsey to change carrier to Lloyds of London and was seconded by Commissioner

CALL TO ORDER:

Mayor Crum called meeting to order at 8:36 A.M. in the conference room at the Greene County Annex.

MINUTES:

Motion was made by Commissioner Peters and seconded by Pat Hankins to approve minutes from the May 26, 2015 Insurance Meeting. Motion was then approved with no opposition.

REPORTS:

Mary gave May 2015 financial reports on Funds 121 and 264. Motion was made by Commissioner Collins and seconded by Commissioner Peters to approve the reports. Motion was then approved with no opposition.

DISCUSSION:

Mary informed the committee that a total of 9 employees signed up for Option 1 during open enrollment and the first deposit for BCBST admin will be made this week.

Tony Williams stated open enrollment went smooth and employees should be getting their BCBST insurance cards.

Melissa Hagen and Shannon Middleton presented two options for the extended hour cost of the clinic. Option 1 provider for 36 hours and nurse 40 hours a week with a total monthly cost of \$15,120.00. Option 2 provider for 32 hours (part-time) and nurse with 40 hours a week with a total monthly cost of \$14,023.00. Motion was made by Mary Shelton and seconded by Pat Hankins to go with Option 2 increasing the provider hours to 32 and nurse hours to 40. Motion was approved with no opposition. Transform Health will get with the provider and nurse to see when this will be effective.

Suggestions were also made for Biometric screenings. Transform Health suggested doing a Biometric Lab Draw Event. Transform Health brings in additional staffing which would be additional cost. This would get everyone's screening done in a one week period then give the clinic six months to get all follow ups complete. Transform Health will get back to the committee before next meeting and set the event in October or November anyone that has had a Biometric screening from July 1, 2015 up to the event will be compliant in having the screening and having a follow up or will be paying an increase in insurance premium. Transform also suggested giving the flu shots at the Biometric Lab Draw Event since it will be done in October or November. The committee is looking at requiring spouses to comply with Biometric screening and follow up July 2017.

Melissa will be checking with home office to make sure communication is getting out and the home office is communicating with clinic and patients. Transform Health has made changes in staffing at home office with clinical employees to smooth out problems with appointments and scheduling. Hayley discussed some employees are reluctant to come for follow up visits and are not getting educated on their medical problems. Haley stated that the services have changed at the clinic she is seeing more uncontrolled chronic care patients due to the fact they no longer have a primary care doctor and some of these appointments are taking longer than the allotted appointment slot time and leaving no slots available for acute care patients. Lana has more work load on her with prior authorizations and referrals. Communication has improved since Transform Health has made changes in home office staffing. The committee asked Transform Health to price a receptionist position for the clinic. Hayley would like to see the calls and appointments brought back to the clinic. Currently there are 118 in the TOPs program 91 being employees and 27 being dependents. Commissioner Collins suggested a requirement for those in the TOP program to be seen every three months.

For those that have not complied with the Biometric screening and follow up a new section 125 will be sent out for them to sign with the increase in their premium.

CALL TO ORDER:

Mayor Crum called the Budget & Finance meeting to order on Wednesday, June the second at 8:30 A.M., in the conference room at the Greene County Health Department Building in, Greeneville, Tennessee.

MINUTES:

A motion to approve the Budget & Finance minutes May 6th was made by Commissioner Tucker, seconded by Commissioner Peters. All agreed.

BUDGET AMENDMENTS:

For their review, the Committee received budget requests that had already been previously approved by the Mayor.

THE FOLLOWING BUDGET AMENDMENTS WAS PRESENTED TO THE COMMITTEE FOR THEIR REVIEW AND APPROVAL

The money in Courtroom Security for part-time personnel has been expended. There will not be any money spent from the Overtime line this year and there is money left in the line for maintenance/Repair of Equipment. Money needs to be moved to cover cost of Part-Time Personnel. Commissioner Tucker made a motion to approve the request. It was seconded by Commissioner Patterson. All were in favor.

Greene County Building Commissioner Tim Tweed, has had a prior employee whom left employment and had unused vacation earned that was required to be paid at termination. New employee was

needed to start working before vacation time paid to prior employee had expired. Therefore, additional funds are required to complete the year's budget obligations. Commissioner Patterson made a motion to approve Mr. Tweed's request. Seconded by Commissioner McAmis, the motion was passed.

Mayor Crum spoke to the committee about the Inspection and Regulation and Planning Department combining budgets for the 2015-2016 year. He said his plans are not to renew the First TN Development contract for local Planning Assistance Service. An individual can do this without spending half of the contracted amount of \$12,500.

RESOLUTIONS:

FUND 101, GENERAL FUND

- A. A resolution to budget for \$2,690 insurance recovery to the Sheriff's Department for the fiscal year ending June 30, 2015. Commissioner McAmis made a motion to approve resolution A. It was seconded by Commissioner Peters. All were in favor.
- B. A resolution to budget for \$12,453 Edward Byrne Memorial Justice Assistance grants to the Sheriff's department for the fiscal year ending June 30, 2015. Commissioner Tucker made a motion to approve resolution B. It was seconded by Commissioner Peters. All were in favor.
- C. A resolution to budget \$19,500 from the Greene County General Fund Unassigned balance fund for additional Juvenile Housing expenditures for the fiscal year ending June 30, 2015. DISCUSSIONS

Janet Malone, Airport Authority addressed the ongoing concerning the airport authority audit. She told the committee about the 45 pieces of properties that had to be moved and the relocation issues dealing with legal and property expenses. The State has not reimbursed yet. She said the Airport was not as dysfunctional as the audit had them to be. With the increase of T hanger's rates along with schedule increase, revenue should be on a positive side. By 2020 no appropriations would have to be asked for. She told of the many industries that use the airport and emphasized the usage by helicopter Emergency Response. The Medevac has a pad at the Airport. They fuel and have their own T-hanger there.

2015-2016 PROPOSED BUDGET

Mary Lou Woolsey, Greene County Schools Budget Director presented the Greene County Schools 2015-2016 proposed budgets as a balanced budget, with no extra money being asked for. State Mandated raises are to be given to classified and salary employees.

Proposed Direct Allocations and Contributions were reviewed. The committee has asked to see the totals after removing The United Fire Departments, since they are included in with the wheel tax referendum. Mayor Crum says to let the Association come together and determine where their allocation goes to. It would go for insurance or whatever they need to spend disbursements. Also it was decided to relocate allocations for the Boys and Girls Club and put into the 189 Fund.

Kay Armstrong presented her revised 2015-2016 Chancery Court & Probate budget with the Part-time lines removed from both departments. The requested full-time position was discussed. To reduce the Counties liability, Kay says that she needs an experienced helper. There are more duties in her office and more delinquent property taxes. Definitions between a part-time and a full time employee were discussed between Budget Director Shelton and Kay. Commissioner Tucker said that this situation needs to be forgotten. Don't put someone into a full time contract without the Budget & Finance knowing about it.

Shaun Street, Greene County Health Department director informed the Committee that he had been without a dentist this year. The salary is \$106,000 and it is set by the State. He has a part-time whom comes in 2 days per week for dental care. He requested that this year's unused funds for this position be set aside for building improvements inside and outside. He said the front end of the building foundation is showing cracks in the bricks. He said the bathrooms were not in compliance. The physical size needs modifications. He would need at least one men and one ladies ADA compliance. Changing out the vanity and toilet would be needed also. He is concerned with a tree which is too close to the building that needs to be removed. To get the public in and out quicker, he needs more office space at the General Clinic, well design, WIC paper voucher, and well child area. To be more efficient he would like to see a nurses station added. Commissioners Peters made a motion to allow Shaun to transfer the dentist left over funding from this year Local Health Center budget into the General Capital Projects Fund as a designated account only to be used for renovations at the Greene County Health Department. Commissioner Patterson seconded the motion. All were in favor. A resolution will be drawn up and presented at the May County Commission meeting.

NEXT MEETING: The next meeting is scheduled for Tuesday June 11th, 2015 at 2:00 P.M in the conference room of the Greene County Health Department building.

A MOTION TO APPROVE NOTARIES

Mayor Crum asked for County Clerk Lori Bryant to read the list of names requesting to be Notaries to the Commission. A motion was made by Commissioner Waddle and seconded by Commissioner Jennings to approve the list. Mayor Crum called the Commissioners to vote on their keypads. The following vote was taken: Commissioners Carpenter, Cobble, Collins, Hensley, Jennings, Kesterson, McAmis, Neas, Parton, Patterson, Peters, Quillen, Randolph, Shelton, Waddell, Waddle, and White voted yes. The vote was 17 – aye; 0 – nay; and 4 absent. Commissioners Clemmer, Miller, Seay, and Tucker were absent. The Commissioners voted in favor of the motion to approve the notaries.

CLERK OF THE COUNTY OF GREENE, TENNESSEE

7-1-15 -

 DATE

Mayor Crum called on Assessor of Property Chuck Jeffers to explain the GIS program process that he has implemented in his office, in which was discussed in the Budget and Finance Workshop.

Mayor Crum explained the schedule change of Convenient Center hours to the County Commissioners, which was also discussed in the Budget and Finance Workshop.

Mayor Crum asked County Attorney Roger Woolsey to explain the conflict of interest process being read, when a County Commissioner who has an immediate family member, who is employed by Greene County and will be voting on the 2015-2016 Budget for the fiscal year.

Mayor Crum called for a 10 minute recess at 7:03.

A. A RESOLUTION MAKING APPROPRIATIONS FOR THE VARIOUS FUNDS,
DEPARTMENTS, INSTITUTIONS, OFFICES AND AGENCIES OF
GREENE COUNTY, TENNESSEE FOR THE FISCAL YEAR BEGINNING
JULY 1, 2015 AND ENDING JUNE 30, 2015

A motion was made by Commissioner Quillen and seconded by Commissioner Parton to approve a resolution making appropriations for the various funds, departments, institutions, offices and agencies of Greene County, Tennessee for the fiscal year beginning July 1, 2015 and ending June 30, 2016.

Commissioner Waddle made a request to amend the Solid Waste Fund by taking out the Tusculum tipping fees that we pay, and also take out the Town of Greeneville's tipping fees. Commission Waddle said the county has paid Tusculum's tipping fee since 1993. He stated, "This budget will be in trouble next year because it will require a tax increase unless we do something." "The best thing that we can do is take those tipping fees out of this budget."

A motion was made by Commissioner Waddle and second by Commissioner White to amend Solid Waste Fund 116 - (55710-310), by taking out Tusculum and the Town of Greeneville tipping fees.

Commission Patterson questioned how the move would prevent the citizens of Tusculum and Greeneville from paying for their trash twice.

County Attorney Roger Woolsey said state law stipulates that Solid Waste expenditures are supposed to be paid from property taxes collected. County Attorney said Greene County, for a number of years, has not followed this rule, paying Solid Waste expenses from not only the property tax but also sales and liquor taxes.

State statute also states that if a municipality does its own collections, that municipality is supposed to be exempt in paying property tax that goes to the county's Solid Waste Fund, according to Roger Woolsey.

Woolsey said, Tusculum or Greeneville could file a lawsuit "asking for the money back for the property tax income that had been collected from city residents." He said that if the county did not make a deal with Greeneville, the town's options would be to negotiate, mediate or file a lawsuit."

Mayor Crum called the Commissioners to vote on their keypads. The following vote was taken: Commissioners Carpenter, Cobble, Jennings, Kesterson, McAmis, Neas, Parton, Randolph, Shelton, Waddell, Waddle, and White voted yes. Commissioners Collins, Hensley, Patterson, Peters, and Quillen voted no. The vote was 12 aye; 5 nay; and 4 absent.

Commissioners Clemmer, Miller, Seay, and Tucker were absent. The Commissioner voted in favor of the motion to amend Resolution A was approved.

Mayor Crum requested that the Commissioners who needed to read the Conflict of Interest to do so, before voting on Resolution A as amended. The following Commissioners read the Conflict of Interest: Commissioner Randolph, Waddell, Waddle, Carpenter, Parton, Jennings, Quillen, Neas, and Hensley.

Mayor Crum called for the Commissioners to vote on the keypads. The following vote was taken: Commissioners Carpenter, Cobble, Hensley, Jennings, Kesterson, McAmis, Neas, Parton, Randolph, Shelton, Waddell, Waddle, and White voted yes. Commissioners Collins, Patterson, Peters, and Quillen voted no. The vote was 13 – aye; 4 – nay; and 4 – absent. Commissioners Clemmer, Miller, Seay, and Tucker were absent. The Commissioners voted in favor of the motion to approve the resolution as amended.

BE IT FURTHER RESOLVED, that the budget for the School Federal Projects Fund shall be the budgets approved for separate projects within the fund by the Greene County Board of Education.

SECTION 2. BE IT FURTHER RESOLVED, that there are also hereby appropriated certain portions of the commissions and fees for collecting taxes and licenses and for administering other funds which the Trustee, County Clerk, Circuit Court Clerk, Clerk and Master, Register of Deeds, and the Sheriff and their officially authorized deputies and assistants may severally be entitled to receive under State Laws heretofore or hereafter enacted. Expenditures out of commissions, and/or fees collected by the Trustee, County Clerk, Circuit Court Clerk, Clerk and Master, Register and the Sheriff may be made for such purposes and in such amounts as may be authorized by existing law or by valid order of any court having power to make such appropriations. Any excess commissions and/or fees collected over and above the expenditures duly and conclusively authorized shall be paid over to the Trustee and converted into the General Fund as provided by law.

BE IT FURTHER RESOLVED, that if any fee officials, as enumerated in Section 8-22-101, T.C.A., operate under provisions of Section 8-22-104, T.C.A., provisions of the preceding paragraph shall not apply to those particular officials.

SECTION 3. BE IT FURTHER RESOLVED, that any amendment to the budget shall be approved as provided in Section 5-9-407, T.C.A. One copy of each amendment shall be filed with the County Clerk, one copy with the Chairman of the Budget Committee, and one copy with each divisional or departmental head concerned. The reason(s) for each transfer shall be clearly stated; however, this section shall in no case whatsoever be construed as authorizing transfer from one fund to another, but shall apply solely to transfers within a certain fund.

SECTION 4. BE IT FURTHER RESOLVED, that any appropriations made by this resolution, which cover the same purpose for which a specific appropriation is made by statute is made in lieu of but not in addition to said statutory appropriation. The salary, wages, or remuneration of each officer, employee, or agent of the County shall not be in excess of the amounts authorized by existing law or as set forth in the estimate of expenditures which accompanies this resolution. Provided, however, that appropriations for such salaries, wages or other remuneration hereby authorized shall in no case be construed as permitting expenditures for an office, agency, institution, division or department of the County in excess of the appropriation made herein for such office, agency, institution, division or department of the County. Such appropriation shall constitute the limit to the expenditures of any office, agency, institution, division or department for the fiscal year ending June 30, 2016. The aggregate expenditures for any term of appropriation shall in no instance be more than the amount herein appropriated for such item.

SECTION 5. BE IT FURTHER RESOLVED, that any resolution which may hereafter be presented to the Board of County Commissioners providing for appropriations in addition to those made by this Budget Appropriation Resolution shall specifically provide sufficient revenue or other funds, actually to be provided during the fiscal year in which the expenditure is to be made, to meet such additional appropriation. Said appropriating resolution shall be submitted to and approved by the State Director of Local Finance after its adoption as provided by Section 9-21-403, Tennessee Code Annotated.

SECTION 6. BE IT FURTHER REOLVED, that the County Mayor and County Clerk are hereby authorized to borrow money on revenue anticipation notes, provided such notes are first approved by the Director of Local Finance, to pay for the expenses herein authorized until the taxes and other revenue for the fiscal year 2015-2016 have been collected. The proceeds of loans for each individual fund shall not exceed 60% of the appropriations of each individual fund and shall be used only to pay the expenses and other requirements of the fund for which the loan is made. The loan shall be paid out of revenue from the fund for which money is borrowed. The notes evidencing the loans authorized under this section shall be issued under the applicable sections of Title 9, Chapter 21, Tennessee Code Annotated. Said notes shall be signed by the County Mayor and countersigned by the County Clerk and shall mature and be paid in full without renewal no later than June 30, 2016.

SECTION 7. BE IT FURTHER RESOLVED, that the delinquent county property taxes for the year 2014 and prior years and the interest and penalty thereon collected during the year ending June 30, 2016 shall be apportioned to the various County funds according to the subdivision of the tax levy for the year 2015. The Clerk and Master and the Trustee are hereby authorized and directed to make such apportionment accordingly.

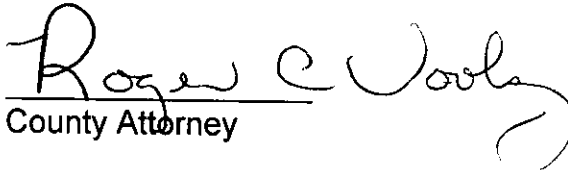

SECTION 8. BE IT FURTHER RESOLVED, that all unencumbered balances of appropriations remaining at the end of the fiscal year shall lapse, and be of no further effect at the end of the fiscal year at June 30, 2015.

SECTION 9. BE IT FURTHER RESOLVED, that any resolution or part of a resolution which has heretofore been passed by the Board of County Commissioners, which is in conflict with any provision in this resolution be and the same is hereby repealed.

SECTION 10. BE IT FURTHER RESOLVED, that this resolution shall take effect from and after its passage and its provisions shall be in force from and after July 1, 2015. This resolution shall be spread upon the minutes of the Board of County Commissioners.

E. A RESOLUTION FOR AMENDING THE GREENE COUNTY ZONING RESOLUTION CONCERNING SOLAR FARMS WITHIN THE UNINCORPORATED TERRITORY OF GREENE COUNTY, TENNESSEE

A motion was made by Commissioner Quillen and seconded by Commissioner Parton to approve a resolution for amending the Greene County Zoning resolution concerning solar farms within the unincorporated territory of Greene County, Tennessee.

Commissioner Hensley read a 4 page letter opposing the resolution for amending the Greene County Zoning resolution concerning solar farms within the unincorporated territory of Greene County, Tennessee. Commissioner Hensley stated, "I recommend that we reject this Resolution and send it back to the Planning Commission with the directive that all commercial and industrial type use of land currently zoned A-1 be rezoned for such use, using Washington County as the example by creating an A-3 Zoning District. If that were the case, then there would be a notice to the public for a request for rezoning, allowing the Citizens at least a chance to be heard."

Mayor Crum called for the Commissioners to vote on their keypads. The following vote was taken: Commissioners Collins, Jennings, McAmis, Neas, Parton, Patterson, Peters, Quillen, Randolph, Shelton, Waddell, Waddle, and White voted yes. Commissioners Carpenter, Cobble, Hensley, and Kesterson voted no. Commissioners Clemmer, Miller, Seay, and Tucker were absent. The vote was 13 – aye; 4 – nay; and 4 absent. The Commissioners voted in favor of the motion to approve the resolution.

Mayor Crum called for a 10 minute at 8:50 p.m.

Commissioner Hensley left the Commission Meeting during the break.

Mayor Crum called the Commissioners to sign back in.

The Commissioners signed in on their keypads and the following Commissioners were present: Commissioner Carpenter, Cobble, Collins, Jennings, Kesterson, McAmis, Neas, Parton, Patterson, Peters, Quillen, Randolph, Shelton, Waddell, Waddle, and White. Commissioners Clemmer, Hensley, Miller, Seay, and Tucker were absent.

**A RESOLUTION FOR AMENDING THE GREENE COUNTY ZONING RESOLUTION
CONCERNING SOLAR FARMS WITHIN THE UNINCORPORATED TERRITORY OF
GREENE COUNTY, TENNESSEE**

WHEREAS, the Greene County Legislative Body has adopted a zoning resolution establishing zoning districts within the unincorporated territory of Greene County, Tennessee and regulations for the use of property therein; and

WHEREAS, the Greene County Legislative Body realizes that any zoning plan must be changed from time to time to provide for the continued efficient and economic development of the county; and

WHEREAS, the Greene County Legislative Body recognizes the need to create development standards for solar farms that will encourage such development while protecting property owners; and

WHEREAS, a proposal has been made to amend the Greene County Zoning Resolution; and

WHEREAS, the Greene County Regional Planning Commission did study this proposal on the 9th day of June, 2015 and recommended that the Greene County Legislative Body amend the zoning resolution; and

WHEREAS, Public Notice requirements pursuant to **T.C.A. §13-7-105(b)(1)** have been met;

NOW, THEREFORE BE IT RESOLVED by the Greene County Legislative Body, meeting in regular session on the 20th day of July, 2015, a quorum being present and a majority of the full County Legislative Body membership voting affirmatively to amend the Greene County Zoning Resolution as follows:

Add the following definitions to **ARTICLE II DEFINITIONS OF TERMS USED IN ORDINANCE** and renumber accordingly.

Buffer strip, solar farm. An evergreen landscaped strip located within a buffer zone intended to conceal required fencing within five years of planting.

Buffer zone. An area of green space located around the fenced perimeter of a solar farm.

Solar panel farm. Also known as utility-scale solar applications. Developments of at least one acre where photovoltaic solar panels are used to generate electricity or heat hot water for sale. When power is generated on the same parcel, or within the same development, as the primary use of a residence, business, or industry, and is principally for consumption by the primary use, it is not considered a solar farm even if it sells back any excess electricity through net metering.

Amend section 601 A-1 General Agriculture District, subsection 601.1 to add the following use:

- S. Solar panel farms, provided:
 - 1. Buffer Zones shall be:
 - (a) A minimum of fifty feet in width as measured from the exterior of the fence surrounding a solar farm;
 - (b) Maintained as green space for the entire width of the buffer zone, except for necessary intrusions for vehicular or power access, fencing, or drainage structures required elsewhere in these regulations;
 - (c) Used to preserve, where possible and practical, existing trees located in the buffer zone, provided that doing so will not block reasonable access for the solar farm.
 - 2. Solar Farm Buffer Strips. Solar farm buffer strips shall:
 - (a) Be located outside required fencing.

E.

- (b) Be planted with evergreen shrubs and/or trees that are at a minimum of six feet in height at the time of planting and are staggered ten (10) feet on center.
 - (c) The applicant may request credit or a waiver of buffer planting requirements if existing vegetation exists that meets the buffer planting standard.
 - (d) Be maintained even if the solar farm is no longer operational and/or falls into disuse, unless and until the solar farm is dismantled and removed from the parcel(s) upon which it was constructed.
 - (e) Required where the solar farm fencing would be visible off-site.
 - (f) Be required where lease lines overlay exterior property lines, provided that separate tax parcels under the same ownership are considered one property for the purposes of this sub section.
 - (g) Not be required within the interior of a solar farm development where areas leased from different property owners abut one another.
 - (h) Be shown on plans submitted to and approved by the Enforcing Officer, who shall approve the design, width, height, opacity, growing period to maturity, time schedule for installation, and responsibility for perpetual maintenance.
3. **Setbacks.** Setback requirements to the lease/property line for any building or solar array shall be a minimum of fifty feet, except that the setback from any Residential Dwelling existing at the time of approval of the solar panel farm shall be three hundred (300) feet from the corner of the residential dwelling to the closest solar array. Residential Dwelling shall mean a permanent, not temporary, improvement used for residential purposes.
4. **Fencing.** All solar farms shall be enclosed with a fence measuring a minimum of six (6) feet in height that is topped with at least three strands of barbed wire that shall be maintained in good condition to the satisfaction of the Enforcing Officer.
5. **Land Development.** Unless a variance is granted by the board of zoning appeals, the following requirements must be met.
- (a) Pre-development drainage patterns shall be maintained so that post development surface water run-off does not exceed pre-development surface water run-off for a 25 year storm event.
 - (b) Soil shall be retained on-site through the appropriate use of silt fencing, straw bales, or other effective manner.
 - (c) The area of the solar farm located to the interior of the buffer zone shall be maintained in a grassed condition, with the exception of access driveways, building pads, utility facilities and necessary equipment supports.
 - (d) Grassed areas within the solar array shall be maintained in accordance with established and recommended procedures for maintaining hay crop and pasture weed management as recommended by the University of Tennessee Extension Service.
6. **Glare.** Glare studies shall be as required by state and/or federal regulations.
7. **Additional Requirements.** The following information shall be submitted to the Enforcing Officer prior to construction of the site. Proof that:
- (a). The project has been approved by the utility, all applicable interconnection procedures necessary to deliver electricity to the local utility have been completed, as well as an executed interconnection agreement.
 - (b). The lease for the project contains wording to the effect that, at the end of the lease period or if the solar farm is no longer operational for a period of twelve consecutive months and the lessee or the landowner does not, within such twelve month period commence a good faith effort to make such solar farm operational, the solar farm shall be deconstructed within twelve months

thereafter, and the land returned to the owner in substantially the same condition as prior to development.

(c) The property owner is ultimately responsible for the removal of the solar farm array.

EFFECTIVE DATE. These amendments shall take effect on the 20th day of July, 2015, the welfare of the County requiring it.

The Resolution before you is asking you to approve solar power plants to be located within the A1 Zoning District which comprises about 95% of our County.

It is my opinion that this is a mistake and that a commercial enterprise such as solar power plants, wind farms, and other types of energy production systems should be located within a zoning district set aside for such massive commercial type operations.

Today, I want to give you some background on this subject for your information and consideration.

First, let me qualify my experience:

From 1977 to 1985, I promoted solar energy use, first installing residential water heating systems, then manufacturing the solar panels in a barn across from the Chuckey Post Office, and installing large commercial systems – mostly federal demonstration projects – throughout the southeast region. My small company helped form the Tennessee Solar Energy Association and I was the founder of the Tennessee Solar Energy Industries Association. My barn-factory was destroyed by an arsonist in 1982, but I continued on until the federal tax credits went away in 1985.

The lesson I learned was that without a huge amount of subsidies from the taxpayers, solar energy use is not economically feasible. There is simply too much cheap and plentiful energy available, and the cost of building and maintaining these alternative energy systems is too high to justify.

As an early supporter of alternative energy systems, having devoted a large portion of my life to the industry, I will continue to support these applications where they are economically feasible without relying on the public treasury or the ratepayers.

In 1995, I had the idea to build an airstrip and sell lots to retiring pilots. Pilots have a desire to live with their planes. We now have 48 lots with 40 sold and 21 built out with homes and hangars and a paved 3000' airstrip. This was accomplished without taxpayer assistance and benefits the county through increased economic activity and currently about \$50,000 in property tax collections annually.

When our current administration began talking about promoting alternative energy sources, I took time to reevaluate the industry, coming to the same conclusions I had learned those many years ago. The equipment is too costly, must rely on huge taxpayer subsidies, and is not reliable enough to provide energy on the scale needed by the modern American household or business.

I share these perspectives to now focus our attention on the Solar Power Plant proposal we are about to discuss. It is my intention here to provide as much information and insight into how this all came about so that those unfamiliar with these actions will hopefully have a better understanding of where we are and what we are about to unleash on the Citizens of our great County.

About 6 months ago, I got a call from a neighbor in Chuckey asking if I knew anything about a 'solar farm' being planned for the area. This neighbor had seen a crew digging holes on a grid pattern on the adjoining property and inquired what they were doing. They said that they were completing an

archeological survey to make sure there were no burial grounds in that location as there was going to be 130 acres of solar panels covering the entire area. This was the first any of us knew of these plans.

As I had been serving on the planning commission for about 8 months, I was surprised that something of this magnitude was going on without any prior discussions. I contacted our Zoning Official, Tim Tweed, and asked him about this. Tim said, "A group of folks came to my office 6 or 8 months earlier and asked if we could install large-scale solar equipment in the A1 Zoning District. They had some tax maps showing the proposed area on the Massengill/Bachman/Clemmer and Brown farms out in Chuckey. I wasn't so sure so I went to Roger Woolsey. Bill Nunnally was with the group and they all had a chat and decided that yes, it should be allowed." As a result of this group being giving the green light from Mr. Woolsey and Mr. Tweed, the land owners began negotiating contracts with the solar firm out of North Carolina, Birdseye, who then began hiring various surveyors, engineers, and attorneys to begin the work necessary for this to all be put in place.

By the time my neighbor saw the crew digging holes, pretty much the entire work had been completed with only a few remaining details – the most important of which was to somehow create language within our Zoning Codes which would actually allow such an industrial application on open A1 Zoned farmland.

I have to say that my first reaction was one of anger and confusion. How could it be that I have served that District for 5 years as a Commissioner, sit as an active member of the Planning Commission, have my own life invested into the large upscale neighborhood project adjacent to this proposal – yet not know or hear one word concerning it? So the first Planning Commission meeting with this proposal on the Agenda was a heated one indeed, which yielded no change from the decision that this proposal is going to go forward.

By the time of our next meeting, I had calmed down and applied as much research and thinking into this proposal as I could muster. Being what I consider an industrial, or at least commercial, use of farmland, I determined that we needed to rezone areas under consideration for such a system into our M1 Zoning regulations or perhaps come up with a new zoning district specifically for such use. Having studied our Regulations completely through, this is the one which made the most sense to me. This idea was not accepted by the Committee, which began trying to figure out what language needed to be added into the A1 Regulations so as to allow these large scale power plants.

I had several folks study the current zoning with me, and no one could see where these power plants could be allowed under A1 with the language that we currently have. First, it must be "expressly permitted," meaning written into the code. Secondly, it must be "necessary." Thirdly, there is an allowance for a "public utility" (such as a substation for the power board, etc.), but this private company is certainly not "publicly owned." Finally, it must be "agricultural related." This proposal fails on all of these points in our current regulations.

Our State Planner, Rhonda Sawyer, was then asked to check with surrounding counties and to report back what they have on their books. At our next meeting, she reported that, "The surrounding counties approve of solar farms in A1 Zoning." As a result of that report, the Committee continued developing

language that would regulate the proposed solar farm. Indeed, the Birdseye representative and his attorney, began providing guidance and suggestions along the way as to how they would like the regulations to read.

After that meeting, I decided to see for myself how the surrounding counties approached the subject. I went to Google, typed in *Washington County Zoning Regulations*, then downloaded and printed their entire document. What I discovered is that they indeed do allow solar farms along with wind farms – within a special A3 Zone. A3 is a special zone just for intense *business* type operations on farmland: including pig lots, chicken houses, slaughter houses, and the like. I also searched Sullivan County Regulations and found that they do not address solar farms at all.

I brought this discovery to our next meeting and the information was discarded by the Committee, with Mr. Woolsey claiming that, “They can’t do that.” Well, they have.

While all of this has been going on, a large group of landowners and homeowners in the immediate area adjacent to the proposed power plant had started a petition, having gathered about 105 names of those in opposition to the concept. Some folks are new to the area and some have owned the land they are on for many decades. When this group got no satisfaction from attending our meetings, they chose to appeal the decision of allowing a solar power plant in A1 and formally brought this to the Board of Zoning Appeals, which I have also served on for now 5 years. The Birdseye Attorney as well as the Attorney representing the group of aggrieved Citizens, made their case and the vote was taken. One member of the Board, before voting to deny the group their wishes, spent several minutes explaining why he felt that whatever someone wanted to do on their own property was their own business. Indeed, our Board of Zoning Appeals Chairman, has also publicly stated that he thinks that what someone wants to do on their property should be their own business. Makes one wonder why we even bother with a Planning Commission, stated Regulations, and a Board of Zoning Appeals. Having failed at their effort, this group has now filed a suit to overturn the decision of the Planning Commission allowing solar power plants to be located within the A1 Zoning District.

For the record, I have refrained from voting during all of this, though at times my own vote could have made a difference. I have not voted due to the personal conflict I have with owning property which will be negatively affected by the installation of this power plant. However, I have not kept silent in either my suggestions or protest as I am also the Duly Elected Representative of the Citizens within District 2 and thus am obligated to speak for them.

During the last meeting of the Planning Commission, someone asked Roger Woolsey, “What happens to the lawsuit when the full Commission passes this Resolution?” Mr. Woolsey responded, “It will be moot”. Apparently we are pushing this through in order to prevent a lawsuit from Birdseye for the earlier decision permitting them to move forward with their proposal.

I spent a lot of time looking at every aspect of this proposal and its impact on our County:

- Reduced property values of surrounding homes and land – resulting in reduced property tax collections
- Reduced economic activity on the land being taken out of agricultural production
- Reduced economic activity in the area immediately adjacent to the energy plant
- Reduced sales tax collections due to reduced farming and development activities
- Reduced quality of life and enjoyment of those living near the solar power plant
- Possible negative environmental effects
- Beneficial to the land owner leasing his land for 20 year period
- Huge economic benefits to the out-of-state investors, who according to Birdseye are bankers and insurance executives. A large portion of these benefits are the massive subsidies and tax benefits provided by the Federal government from our Treasury and from TVA ratepayers.

I recommend that we reject this Resolution and send it back to the Planning Commission with the directive that all commercial and industrial type use of land currently zoned A1 be rezoned for such use, using Washington County as the example by creating an A3 Zoning District. If that were the case, then there would be a notice to the public for a request for rezoning, allowing the Citizens at least a chance to be heard.

If approved as written, the next solar power plant may very well be in your own back yard.

F. A RESOLUTION REQUIRING ALL COUNTY VEHICLES TO
HAVE A PERMANENT NON-MAGNET COUNTY DECAL AFFIXED TO
THE FRONT DOORS OF EACH VEHICLE WITH THE EXCEPTION OF CERTAIN
LAW ENFORCEMENT VEHICLES

A motion was made by Commissioner Carpenter and seconded by Commissioner Parton to approve a resolution requiring all county vehicles to have a permanent non-magnet County decal affixed to the front doors of each vehicle with the exception of certain law enforcement vehicles.

Mayor Crum called for the Commissioners to vote on their keypads. The following vote was taken: Commissioners Carpenter, Jennings, Neas, Parton, and Shelton voted yes. Commissioners Cobble, Collins, Kesterson, McAmis, Patterson, Peters, Quillen, Randolph, Waddell, Waddle, and White voted no. The vote was 5 aye; 11 nay; and 5 absent. Commissioner Clemmer, Hensley, Miller, Seay, and Tucker were absent. The motion to approve the resolution failed.

**A RESOLUTION REQUIRING ALL COUNTY VEHICLES TO
HAVE A PERMANENT NON-MAGNETIC COUNTY DECAL
AFFIXED TO THE FRONT DOORS OF EACH VEHICLE EXCEPT
CERTAIN LAW ENFORCEMENT VEHICLES**

WHEREAS, almost all citizens of Greene County believe that county owned or leased vehicles should be utilized only as it pertains to county matters or business and that all county vehicles should be clearly identified with markings, decals and/or seals so that those county services that often go unnoticed are more visible and citizens can be assured that there is no waste in the county's finances by employees of Greene County using county vehicles for personal business or reasons; and

WHEREAS, making county vehicles easily recognizable allows citizens to see that their tax dollars are appropriately used to provide public services; and

WHEREAS, all county owned vehicles, shall display a county tag and be clearly marked on the front doors of the vehicle with a permanent non-magnetic County seal, assigned department, and a vehicle number. Exceptions to such policy would only be for vehicles assigned to sensitive jobs (not be marked such as law enforcement, undercover vehicles, etc.); and

NOW THEREFORE BE IT RESOLVED by the Greene County Legislative Body meeting in regular session on the 20th day of July, 2015, a quorum being present and a majority voting in the affirmative, that all county vehicle be required to display a county tag and be clearly marked on the front doors of the vehicle with a permanent non-magnetic County seal, assigned department, and a vehicle number. Exempting from this requirement would be such vehicles assigned to sensitive jobs such as law enforcement, undercover vehicles, etc.

F.

BE IT FURTHER RESOLVED that all department heads and elected and/or
appointed office holders comply strictly with the mandates of this resolution.

G. A RESOLUTION TO REORGANIZE AND/OR REAPPOINT
THE EMS BOARD

A motion was made by Commissioner Waddle and seconded by Commissioner Carpenter to approve a resolution to reorganize and/or reappoint the EMS board.

Mayor Crum called for the Commissioners to vote on their keypads. The following vote was taken: Commissioners Carpenter, Jennings, McAmis, Neas, and Parton voted yes. Commissioners Cobble, Collins, Kesterson, Patterson, Peters, Quillen, Randolph, Shelton, Waddell, Waddle, and White voted no. The vote was 5 aye; 11 – nay; and 5 absent. Commissioners Clemmer, Hensley, Miller, Seay, and Tucker were absent. The motion to approve the resolution failed.

A RESOLUTION TO REORGANIZE AND/OR REAPPOINT THE EMS BOARD

WHEREAS, the Greeneville/Greene County Ambulance Authority (now Greeneville/Greene County EMS Board) was established and approved by Resolution of the Quarterly County Court of Greene County, Tennessee (now Greene County Legislative Body) on April 9, 1973, to provide emergency medical services for the citizens and residents of Greene County; and

WHEREAS, in conjunction with the establishment of the Greeneville/Greene County Emergency Medical Services Board, certain individuals have been appointed to serve on the Emergency Medical Services Board; and

WHEREAS, the EMS Board is charged along with other responsibilities of ensuring that the citizens of Greene County are served by viable, efficient and professional ambulance service, including determining whether outside private ambulances are permitted to transport individuals and patients within the geographic confines of Greene County; and

WHEREAS, it appears that many of the individuals serving on the EMS Board are serving based on their respective positions in the community or government and are appointed by the County Mayor and the City Mayor subject to the approval by their respective boards; and

WHEREAS, it would appear that since Greene County and the Town of Greeneville have the responsibility overall for ensuring the vital operations and services of ambulances within Greene County including providing such financial supplementation as is required in order to operate the county/town owned ambulance service, that all members of the EMS Board

G

should be filled by individuals elected to serve on the Greene County Legislative Body or the Town of Greeneville Board of Mayor and Alderman.

NOW, THEREFORE BE IT RESOLVED, by the Greene County Legislative Body, meeting in regular session on this the 20th day of July, 2015, a quorum being present and a majority voting in the affirmative, that the EMS Board as it is presently exist should be disbanded and that a new board should be appointed by the County Mayor and the City Mayor in such numbers as representative of the ownership interest that each entity has in the Emergency Medical Services and that all members of the EMS Board shall be composed solely by the County Mayor and City Mayor and members of the County Legislative Body and members of the Town of Greeneville Board of Mayor and Alderman.

BE IT FURTHER, RESOLVED that the new appointments to the EMS Board should be made with the effective date for the reconstructed board being September 1, 2015.

Mayor Crum called for the Commissioners to vote on their keypads. The following vote was taken: Commissioners Carpenter, Cobble, Collins, Jennings, Kesterson, McAmis, Neas, Parton, Patterson, Peters, Quillen, Randolph, Shelton, Waddell, Waddle, and White voted yes. The vote was 16 – aye; 0 – nay; and 5 – absent. Commissioners Clemmer, Hensley, Miller, Seay, and Tucker were absent. The Commissioners voted in favor of the motion to approve the resolution.

**A RESOLUTION
ESTABLISHING PROCEDURES FOR ACCESSING
AND COPYING PUBLIC RECORDS**

WHEREAS, the Greene County Legislative Body recognizes the findings of the General Assembly of Tennessee that it is vital in a democratic society that public business be performed in an open and public manner so that public citizens shall be advised of the performance of public officials and of the decisions that are reached in public activity and in the formulation of public policy; and

WHEREAS, in order to ensure that Greene County conducts public business in an open and public manner, it shall be the policy of Greene County to comply with both the letter and the spirit of the Open Records Law (T.C.A. § 10-7-504, *et seq.*) as amended; and

WHEREAS, the Greene County Legislative Body has determined that a formal policy regarding the submission and processing of request for access to public records under the Open Records Law should be adopted to provide the public and employees with clear requirements and practices that will permit the County to operate in an open and public manner.

NOW, THEREFORE, BE IT RESOLVED by the Legislative Body of Greene County, Tennessee as set forth below:

- A. Pursuant to the findings above, the Legislative Body hereby adopts its Policy Regarding Requests for Public Records Under the Public Records Act (the "**Policy**"), a copy of which is attached hereto as "Exhibit A".
- B. Consistent with the Public Records Act of Tennessee, personnel of Greene County shall provide full access and assistance in a timely

and efficient manner to persons who request access to open public records.

- C. Employees of Greene County shall protect the integrity and organization of public records with respect to the manner in which the records are inspected and copied. All inspections of records must be performed under the supervision of employees of Greene County. All copying of public records must be performed by employees of Greene County.

- D. To prevent excessive disruptions of the work, essential functions, and duties of employees of the County persons requesting inspection and/or copying of public records shall complete a records request form to be furnished by the County. If the requesting party refuses to complete a request form, a County employee shall complete the form with the information provided by the requesting party. Persons requesting access to open public records shall describe the records with particularity so that the records may be located and copied by employees.

- E. When voluminous records are requested in writing using the designated form, the person requesting access shall make an appointment with the records supervisor or his/her designee of the department holding the records. Appointments for inspection of records may be for no longer than two (2) hours in one day per request. If further inspection is needed by the requesting party, another appointment may be scheduled. The purpose of this policy is to prevent monopolization of working hours of County Employees and interference with their work duties. Employees shall make every effort to schedule appointments and copying of records so as to provide full access to the requesting party.

- F. Persons may further request that copies be made of open public records. The charge for copies shall be in accordance with the policy. Payment of copying fees is due when the copies are received by the requesting party. If voluminous copies are requested, the County reserves the right to take 48 hours, during the work week, to prepare the copies. No open public records may be removed from the County office for the purpose of copying.

**POLICY FOR THE INSPECTION AND COPYING OF PUBLIC RECORDS UNDER
THE TENNESSEE OPEN RECORDS LAW
(T.C.A. § 10-7-504 ET SEQ.)**

I. PURPOSE

This policy establishes uniform procedures for handling requests under Tennessee's Public Records Law to inspect and/or copy records and to comply with required confidentiality of records. In accordance with Tennessee Code Annotated § 10-7-503 Records Open to Public Inspection, all records made or received in connection with the transaction of official Greene County business shall at all times during business hours, be open for personal inspection by any citizen of Tennessee unless otherwise provided by law or regulations made pursuant thereto; and, the citizen shall have the right to make copies in accordance with T.C.A. § 10-7-506; Right to Inspect Public Records. Any questions concerning public records should be addressed to the Greene County Department Head from which the records are requested.

II. DEFINITIONS

A. *Records Custodian*. An individual who is an employee of Greene County who lawfully exercises direct care and control over a specific group or collection of records and is responsible for the protection, preservation and release of non-confidential information pursuant to T.C.A. § 10-7-503 Records Open to Public Inspection-Schedule of Reasonable Charges-Costs. A Records Custodian is not necessarily the original preparer or producer of the record. An entity such as Greene County has multiple Records Custodians.

B. *Public Records*. All documents, papers, letters, maps, books, photographs, microfilms, electronic data processing files and electronic mail messages, films, sound recordings, or other material regardless of physical form or characteristic, made or received in connection with the transaction of official County business and required to be open to inspection under the provisions of Tennessee law. It should be noted that disclosure of student records is governed by the Family Educational Rights and Privacy Act (FERPA) and Greene County Board of Education Policy 6.602 Access to Education Records and, therefore, not subject to this policy.

C. *Employee Records*. All records related to current or former employees (staff, faculty, deputies, graduate assistants, etc.) or applicants to such positions, excluding that information deemed confidential by statute, that are maintained in the Human Resource Services Office, Payroll Office, Accounting Office, and any other department that may maintain records that include information on employees.

D. *Confidential Information*. Information in public records that may not be released under the Tennessee Public Records laws, including the following and any other information so defined by statute:

1. *Employee Information*. The following records or information for any employee or former employee:

- a. Home telephone and personal cell phone numbers;
- b. Bank account information and individual health savings account, retirement account and pension account information;
- c. Social Security number;
- d. Residential information, including the street address, city, state and zip code;
- e. Driver's license information, except where driving or operating a vehicle is part of the employee's job description, job duties, or incidental to the performance of his/her job;
- f. The information listed in items a. – e. above concerning immediate family members, whether or not the immediate family member resides with the employee, or household members;
- g. Medical information, sick leave documentation, documentation relating to the Americans with Disabilities Act, as amended, or the Family Medical Leave Act, and Employee Assistance Program (EAP) files.
- h. Emergency contact information;
- i. Personal, nongovernment issued, email address;

j. Job performance evaluations. For purposes of this policy, "job performance evaluations" includes, but is not limited to, job performance evaluations completed by supervisors, communications concerning job performance evaluations, self-evaluations of job performance prepared by employees, job performance evaluation scores, drafts, notes, memoranda, and all other records relating to job performance evaluations.

2. *Audit Working Papers.* Records of an audit may include paper documents and/or electronic documents. Working papers are prepared from the time auditor's first launch their assignments until they write the final reports. The working papers include, but are not limited to, the records of planning and surveys, the audit program, the results of field work, auditee records, intra-agency and interagency communications, draft reports, schedules, notes, memoranda and all other records relating to the audit or investigation.

3. *Donor Records.* In accordance with T.C.A. § 49-7-140 Confidentiality of Gift Records, records and information that concern gifts to the County, that include name, address, telephone number, social security number, driver's license information, or any other personally identifiable information about the donor or members of the donor's family shall not be open for inspection. The County or the Foundation will, however, make available, upon request, an annual report of gifts with the amount of the gift and a general description of its use.

III. PROCEDURES

A. Generally.

1. Except for confidential records as prescribed by law, public records will be open for inspection by citizens of Tennessee in the office of record during business hours. Requests to inspect a record may, but are not required to, be in writing. Requests for copies of records must be made in writing. Persons requesting to inspect or copy records must show identification of Tennessee citizenship with a government-issued photo identification card including the person's address (i.e., driver's license, voter's registration, etc.), and are requested/required to complete a Request to Inspect/Copy Public

Records form which can be downloaded from the link provided. The Records Custodian will maintain the original copy of a completed form to request/inspect records; copies of the form will be sent by the Records Custodian to the Office of the County Attorney and the County Mayor.

2. Requests to inspect/copy records must be made to the Records Custodian, and must be sufficiently detailed to enable the Records Custodian to identify the specific records to be located or copied. When a Records Custodian is unclear as to the records being requested, the Records Custodian should contact the requestor in an effort to clarify and/or narrow the request. If, after attempting to do so, the Records Custodian is still unable to determine what is being requested, the request should be denied based upon the requestor's failure to sufficiently identify the requested records. A Records Request Denial Letter should be sent to the requestor.

3. The County is not required to create records or compile information.

B. Form or Format of Record to be Inspected/Copied. The public records laws require that actual records be produced or used for viewing and/or copying. The nature of certain records and applicable confidentiality requirements, however, may result in providing the requested record/information in a form or format other than the original records form or format. In such cases, the Records Custodian may coordinate with the requestor to find an alternate form or means of providing access to the same desired record or information as available under the open records laws. In the event the records include confidential information, copies of the record will be made and the confidential information will be redacted (stricken) before being made available for inspection or copying.

C. Custody Not Relinquished. Custody of the original record is not to be relinquished. The person requesting to inspect the record must inspect the records in the presence of the Records Custodian. If the request is for copies of the record(s), the County will provide the copied information.

D. Time Required to Produce Records. If the record cannot be produced within seven (7) business days, e.g., they are filed in archives, being

used for official business or it will take additional time to redact confidential information from the record, the requestor shall be advised when the record(s) will be available. All efforts will be made to provide the records within a reasonable period of time. A Records Production Letter using this form must be provided. If the request will be denied, a Records Request Denial Letter must be sent within seven (7) business days.

E. Media Requests. Requests to inspect/copy records submitted by a representative of the news media (newspaper, radio, television, magazine, etc.) must be made through the County Mayor's Office or the Office of the County Attorney, which will arrange for the inspection or copying of the records.

F. Other Offices to be Notified. The Office of County Attorney and the Office of the County Mayor should always be notified when records are requested to be inspected/copied. These offices may be required to assist in answering questions, coordinating release of any additional information, and ensuring correct understanding of the records. Further, these offices will be provided copies of inspected and/or copied records upon request or whenever the Records Custodian believes the circumstances warrant.

G. Inspection of Employee Records.

1. Personnel records of all employees and staff, including former employees, are subject to inspection/copying under Tennessee's Public Records Law, unless designated as confidential by statute. Persons requesting to inspect/copy personnel records are requested to complete the Request to Inspect/Copy Public Records form and must show identification of Tennessee citizenship through a government-issued photo identification card. All confidential information must be redacted before inspection/copying. The current employee will be notified that such a request was made and who made the request.

2. Medical records are maintained separately from personnel records and are considered to be confidential. Examples of medical records include, but are not limited to, sick leave documentation and employee assistance program (EAP) files.

H. *Question if Document is Open Record.* If it cannot be readily determined whether or not the Tennessee Public Records Law covers a requested document, the Records Custodian shall refer the matter to the Office of County Attorney.

I. *County Departments.* This procedure shall not apply to County departments that request to inspect and/or receive copies of records for County business purposes or records of employees who report to that department. Notwithstanding, however, the Records Custodian may require the requesting department to certify the business purpose of the request.

IV. COPYING OF PUBLIC RECORDS

A. Upon request, the County will provide copies of public records at the requestor's expense. When a request for copies is received, the Records Custodian should not relinquish the records. Confidential information shall always be redacted before copies are provided.

B. It is the responsibility of the Records Custodian to make copies or arrange for copies to be made as well as to determine copy fees and charges, as stated below. An itemized estimate of the charges to be assessed for copies and labor should be provided to the requestor prior to producing the requested copies. Payment of fees and charges are to be made in advance to the head of the department or at the trustee's office and the requestor shall present the receipt to the Records Custodian. Payment will be credited to the Record Custodian's account or the account of the department responsible for preparing the records.

1. Letters, minutes, maps, court records, blueprints, etc.

a. The requestor shall be required to complete a Request to Inspect/Copy Public Records form identifying the specific record(s) to be copied. The request form, along with any other documents relevant to the request, shall be maintained in the Records Custodian's file.

b. If available to do so, the Records Custodian may immediately make the requested copies and provide the documents to the requestor, so long as the requestor has paid for the charges according to the schedule of Fees/Charges listed below.

c. The Records Custodian shall advise the requestor that payment for the copies is to be made to the department head or his/her designee or at the Trustee's office. Upon presentation of an official receipt to the Records Custodian, the requested copies will then be made.

d. All efforts will be made to make the copies within a reasonable period of time. If the Records Custodian is not immediately available to make the copies, the requestor shall be advised that he/she will be notified when and where the copies will be available for pickup and where payment for the copies may be made. If the records will not be available within seven (7) business days of the date of the request, the requestor shall be provided a Records Production Letter.

2. Tape or video recordings, computer tapes, and other electronic documents.

a. The requestor shall be required to complete a Request to Inspect/Copy Public Records form identifying the specific record(s) to be copied. The request form, along with any other documents relevant to the request, shall be maintained in the Records Custodian's file.

b. If there is not an established fee rate for the type of reproduction (copy) to be made, the Records Custodian should expeditiously ascertain the cost for duplication and notify the requestor of the charge. Payment for the charge shall be made in advance to the department head, his/her designee, or at the trustee's office.

c. Upon payment by the requestor, the record should be duplicated and arrangements made for pickup by the requestor.

3. Copy Format

a. Notwithstanding the form of the records, reproduction or copying of records shall be made in a form as best determined by the Records Custodian.

b. Information on computer tapes and other electronic documents should be copied in a printed format whenever possible. An actual reproduction of the computer tape, etc. should not be provided.

c. No records shall be produced or copied in a form to further a commercial, business, or similar purpose, for example, mailing labels, envelopes, lists of telephone numbers, special format on computer disk, etc.

d. If the requested records exist electronically, but not in the format requested; or a new or modified computer program or application is necessary to put the records in a readable and reproducible format; or it is necessary to access backup files, the Records Custodian shall charge the requestor the actual costs incurred in producing the records in the format requested, or in creating or modifying a computer program or application necessary to put the records in a readable and reproducible format, or in accessing backup files.

e. Records should be produced electronically whenever feasible as a means of utilizing the most cost effective method of producing records.

f. If electronic records are provided, they will be produced in read-only format.

4. Fees and Charges.

a. No fees or charges may be imposed for inspection of records.

b. An itemized estimate of the fees and charges should be provided to the requestor. Payment of this amount must occur prior to copies being made. Payment in full of the actual costs must be made prior to release of the requested copies. Both the estimated charges and the actual charges may be included on the Request to Inspect/Copy Public Records form.

c. Fees.

(1) If copies of the document are sought, the price is 15 cents per page (black and white), 50 cents per page (color)

for standard letter and legal pages, plus the actual cost of labor and/or programming to produce the copy, after the first hour. The price per copy for larger documents (such as blueprints and other specialized documents) is the actual cost. Documentation establishing the amount of the actual cost should be maintained.

(2) If the determined format of the copy is other than paper photocopy, the requestor shall be charged a reasonable fee. Under special circumstances and depending on how best to reproduce/copy the records, the Records Custodian, with the approval of the Office of County Attorney, may negotiate with the requestor the fee to be paid. Documentation establishing the basis of the fee should be maintained.

(3) Any actual delivery costs incurred by the County, such as postal fees, will be added to the final bill for records.

d. Labor/Programming Charges.

(1) Labor is the time reasonably necessary to produce the requested records and includes the time spent locating, retrieving, reviewing, redacting, and reproducing the record. Programming is the time reasonably necessary to extract information requested from a database. All labor and programming charges, after the first hour, must be paid by the requestor to obtain a copy of the record. A receipt upon payment of the fees and charges will be provided.

(2) In calculating the charges for labor and/or programming, the Records Custodian shall determine the number of hours each employee spent producing a request. The first hour, which is not charged to the requestor, shall be subtracted from the number of hours the highest paid employee(s) spent producing the request. The remaining hours are then totaled for each employee, and multiplied by that employee's hourly wage. The results are then added together for the total amount of labor that will be charged. The form to record and calculate the labor cost is located at Calculation of Labor Costs. This form is used to tally these charges, and the totals

are provided to the requestor on the Request to Inspect/Copy Public Records form.

(3) If the requested records exist electronically, but not in the format requested, or a new or modified computer program or application is necessary to put the records in a readable and reproducible format, or it is necessary to access back up files, the requesting party shall be charged the actual costs incurred in producing the records in the format requested or in creating or modifying a computer program or application necessary to put the records in a readable and reproducible format or in accessing back up files.

e. If the total amount of fees, labor/programming charges, and postage is less than \$5.00, the cost will be waived.

V. DUTIES OF THE RECORDS CUSTODIAN

In responding to requests to inspect or copy records, it is anticipated that the Records Custodian will be responsible for the following:

A. Receive the request. If the request is for copies, it must be in writing and the Request to Inspect/Copy Public Records form must be used.

B. Verify Tennessee citizenship. The identification produced should be copied and the copy maintained with the original request form.

C. If the Records Custodian determines that he/she is not the appropriate custodian of record, direct the requestor to the correct Records Custodian, if possible. If the request is from the news media, the requestor must be directed to the Office of the County Attorney or the Office of the County Mayor.

D. Notify the Office of the County Attorney and the Office of the County Mayor of the request.

E. Coordinate compiling the requested records.

F. If the request is to inspect records, arrange a location for the requestor to do so. Inspection must be made in the presence of the Records Custodian.

G. If the request is for copies, provide the requestor with an itemized estimate of the fees and charges using the Request to Inspect/Copy Public Records form, and require payment for such. The receipt should be maintained with the request to inspect/copy. Once payment is received, direct that copies be made.

H. Ensure that the appropriate redactions of confidential information are made whether the request is for inspection or copies.

I. When the copies are available, determine the final amount of the fees and charges using the Labor Cost form, and provide the totals on the Request to Inspect/Copy Public Records form. Provide the requestor with the actual cost amounts and specify that payment in full is required prior to release of the copies.

J. Designate the appropriate account number(s) on the receipt for distribution of the funds.

K. Provide appropriate correspondence to the requestor. Within 7 business days of receipt of a request, the Records Custodian must:

1. Make the records available for inspection or provide the requested copies;
2. Deny the request to inspect or copy using the Records Request Denial Letter, indicating the basis for the denial; or,
3. If the records cannot be made available within seven (7) business days of the request, send the Records Production Letter indicating when the requested records or copies of the records will be available.

L. Maintain documentation regarding the request to include, as appropriate:

1. The Request to Inspect/Copy Public Records form.
2. Proof of Tennessee citizenship.
3. Labor Cost form(s).

4. Copies of receipts for payment of fees and charges.
5. Correspondence with requestor.

OTHER BUSINESS

A motion was made by Commissioner Waddle and seconded by Commissioner White to approve the appointment of Phillip Ottinger to the Greene County Regional Planning Commission.

Mayor Crum then called the Commissioners to vote on their keypads. The following vote was taken: Commissioners Carpenter, Cobble, Collins, Jennings, Kesterson, McAmis, Neas, Parton, Patterson, Peters, Quillen, Randolph, Shelton, Waddell, Waddle, and White voted yes. The vote was 16 aye; 0 – nay; and 5 absent. Commissioners Clemmer, Hensley, Miller, Seay, and Tucker were absent. The Commissioners voted to approve the appointment of Phillip Ottinger to the Greene County Regional Planning Commission.

ADJOURNMENT

The motion was made by Commissioner Waddle and seconded by Commissioner Quillen to adjourn the July Commission meeting.

Mayor Crum asked Commissioner McAmis to close the Commission meeting in Prayer.
