WHEREAS, the Governing Body of Greene County, Tennessee has determined that it is necessary and desirable to provide funds for the following public works project (the "Project"): purchase six (6) seventy-eight passenger school buses and three (3) thirty passenger mini buses (the "Project") at a total of \$735,228 and an average economic life of eighteen (18) years; and

WHEREAS, the Governing Body has determined that the Project will promote or provide a traditional governmental activity or otherwise fulfill a public purpose; and

WHEREAS, under the provisions of Parts I, IV, and VI of Title 9, Chapter 21, Tennessee Code Annotated (the "Act"), local governments in Tennessee are authorized to finance the cost of this project through the issuance and sale of interest bearing capital outlay notes upon the approval of the Comptroller of the Treasury or Comptroller's Designee; and

WHEREAS, the Governing Body finds that it is advantageous to the Local Government to authorize the issuance of capital outlay notes to finance the cost of the Project.

NOW, THEREFORE, BE IT RESOLVED, by the Governing Body of Greene County, Tennessee, as follows:

SECTION 1. That, for the purpose of providing funds to finance the cost of the Project in and for the Local Government, the County Mayor of the Local Government is hereby authorized in accordance with the terms of this resolution to issue and sell interest-bearing capital outlay notes in a principal amount not to exceed seven hundred thirty five thousand, two hundred twenty eight dollars (\$735,228) (the "Notes") at either a competitive public sale or at a private negotiated sale upon approval of the Comptroller of the Treasury or Comptroller's Designee pursuant to the terms, provisions, and conditions permitted by law. C

accrued interest to the date of redemption, without a premium, or, if sold at par, with or without a premium of not exceeding one percent (1%) of the principal amount.

SECTION 4. That, the Notes shall be direct general obligations of the Local Government, for which the punctual payment of the principal and interest on the notes, the full faith and credit of the Local Government is irrevocably pledged and the Local Government hereby pledges its taxing power as to all taxable property in the Local Government for the purpose of providing funds for the payment of principal and interest on the Notes. The Governing Body of the Local Government hereby authorizes the levy and collection of a special tax on all taxable property of the Local Government over and above all other taxes authorized by the Local Government to create a sinking fund to retire the Notes with interest as they mature in an amount necessary for that purpose.

SECTION 5. That, the Notes shall be executed in the name of the Local Government and bear the manual signature of the County Mayor of the Local Government and the manual signature of the County Court Clerk, with the Local Government seal affixed thereon; and shall be payable as to principal and interest at the office of the County Mayor of the Local Government or the paying agent duly appointed by the Local Government. Proceeds of the Notes shall be deposited with the Trustee of the Local Government and shall be paid out for the purpose of financing the Project pursuant to this Resolution and as required by law.

SECTION 6. That, the Notes will be issued in fully registered form and that at all times during which any Note remains outstanding and unpaid, the Local Government or its agent shall keep or cause to be kept at its office a note register for the registration, if held by an agent of the Local Government, shall at all times be open for inspection by the Local Government or any duly authorized officer of the Local Government. Each Note shall have the qualities and incidents of a negotiable instrument and shall be transferable only upon the note register kept by the Local Government or its agent, by the registered owner of the Note in person or by the registered owner's attorney duly authorized in writing, upon presentation and surrender to the Local Government or its agent together with a written instrument of transfer satisfactory to the Local Government duly executed by the registered owner or the registered owner's duly authorized attorney. Upon the transfer of any such Note, the Local Government shall issue in the name of the transferee a new registered note or notes of the same aggregate principal amount and maturity as the surrendered Note. The Local Government shall not be obligated to make any such Note transfer during the fifteen (15) days next preceding an interest payment date on the Notes or, in the case of any redemption of the Notes, during the forty-five (45) days next preceding the date of redemption.

SECTION 7. That, the Notes shall be in substantially the form authorized by the Comptroller of the Treasury or Comptroller's Designee and shall recite that the notes are issued pursuant to Title 9, Chapter 21, Tennessee Code Annotated which is Attachment 1 to this resolution.

SECTION 8. That, the Notes shall be sold only after the receipt of the written approval of the Comptroller of the Treasury or Comptroller's Designee for the sale of the Notes.

SECTION 9. That, upon the opinion of bond counsel, the Notes may be designated as qualified tax-exempt obligations for purpose of Section 265(b)(3) of the Internal Revenue Code of 1986.

SECTION 10. That, after the sale of the Notes, the fiscal affairs of the Local Government shall be maintained on a cash basis in order that the current receipts of the Local Government are sufficient to meet current expenditures and debt service. For each year that any of the Notes are outstanding, the Local Government shall prepare an annual budget in a form consistent with accepted governmental standards and as approved by the Comptroller of the Treasury or Comptroller's Designee. The Local Government shall maintain a balanced budget during the life of the note. The annual budget shall be submitted to the Comptroller of the Treasury or Comptroller's Designee immediately upon its adoption; however, it shall not become the official budget for the fiscal year until such budget is approved by the Comptroller of the Treasury or Comptroller's Designee in accordance with Title 9, Chapter 21, Tennessee Code Annotated (the "Statutes".) If the Comptroller of the Treasury or Comptroller's Designee determines that the budget does not comply with the Statutes, the Governing Body shall adjust its estimates or make additional tax levies sufficient to comply with the Statutes, or as directed by the Comptroller of the Treasury or Comptroller's Designee. The Local Government shall provide any information required by the Comptroller of the Treasury or Comptroller's Designee to determine that a balanced budget is kept during the life of the note.

SECTION 11. That, if any of the Notes shall remain unpaid at the end of eighteen (18) fiscal years from the fiscal year of issue, then, the unpaid Notes shall be retired from the funds of the Local Government or be converted into bonds pursuant to Chapter 11 or Title 9 of the Tennessee Code Annotated, or any other law, or be otherwise liquidated as approved by the Comptroller of the Treasury or Comptroller's Designee.

SECTION 12. That, all orders or resolutions in conflict with this Resolution are hereby repealed insofar as such conflict exists and this Resolution shall become effective immediately upon its passage.
