## BUDGET & FINANCE COMMITTEE

July 14, 2010

The Budget & Finance Committee met on July 14, 2010. The following were present: Alan Broyles, Tom Yancey, Phil King, Hilton Seay, John Cox, Bill Dabbs, Mary Shelton, Regina Nuckols, and Wanda Riddle. Also attending were Robert Bird, Robert Sayne, Steve Burns and Margaret, Gail Jeffers, Eddie Key, and David Thompson.

The Committee reviewed the Jail Budget requests with Sheriff Burns.

The Committee reviewed the Animal Control budget requests with Director, Eddie Key. The Director of Purchasing, Diane Swatzell, explained vehicle purchasing procedures and options.

The Committee reviewed the Circuit Court Clerk budget requests with Gail Jeffers, Clerk.

The Committee reviewed the Planning Department budget requests with Amy Tweed, County Planner.

The Committee reviewed the GIS program budget requests with Chuck Jeffers.

After a quick review of bottom line expenditures, Mary Shelton showed the Committee the projected bottom line fund balance for 2010-2011 would be \$5,048,776 including revenues coming from the Sheriff's Dept. and EMS and including non-profit requests at last year's actual contribution amount. The figure also uses budgetary savings from 2009-2010 to help balance the budget. It is a matter of cutting over 1.8 million from the expenditures or funding in this manner and still having a fund balance of over five million dollars. All agreed that this would be a good way to balance the budget and retain the needed fund balance.

The Committee made a quick review of non-profit agency requests for contributions and left them all at the amount they were funded last year. They will discuss them further at the next meeting. They asked that Mr. Mel Seaton bring an actual figure for VFD insurance for 2009-2010 so that they could compare it to what the County appropriated for insurance.

It was decided that the next meeting would be Thursday, July 15 at 1:00 p.m.

The meeting adjourned.

## BUDGET & FINANCE COMMITTEE

July 15, 2010

The Budget & Finance Committee met on July 15, 2010. The following were present: Alan Broyles, Amy Rose, Phil King, Hilton Seay, John Cox, Bill Dabbs, Mary Shelton, Regina Nuckols, and Wanda Riddle. Also attending were Robert Bird, Robert Sayne, David Thompson and Mel Seaton.

Mr. Mel Seaton gave the Committee members the total dollar amount that the Volunteer Fire Department paid out on truck, building, liability and workers compensation insurance for 2009-2010 which was \$96,565.00. \$7,671 was paid out of the treasury of the VFD Association. He noted that the VFD Association will be starting out behind in needed funds for insurance this year even with the contribution that the County is giving. A motion was made by Commissioner Seay and seconded by Commissioner Dabbs to fund the Volunteer Fire Departments at the same amount as last year and that the difference in that amount and what is needed to pay their insurance for the year be made up by asking Tusculum, Mosheim, and Baileyton to pay a portion based on pro-rata by annual local sales tax. The Association should go to these entities and ask for this percentage. The motion was approved. Mr. Seaton said he would pass this information on to the present Association President, Ryan Holt. Commissioner Seay said he would work with Mr. Holt to help him in getting the percentages figured since he had taught mathematics.

Mr. Seaton also asked if the Association contribution could be removed from the non-profit list and put in a category such as Emergency Services because they are different than a social service. He was told that this would make no difference.

All of the Committee members agreed to the scenario presented to balance the general fund budget using funds carried over from 2009-2010, and unanticipated revenues from the Sheriff and EMS. We will have a fund balance of approximately \$5,098,776. The entire budget will be printed with all adjustments and then looked at once again.

The Committee addressed the previously discussed matter of funding a vehicle for Animal Control. \$25,600 was added back to that budget for a vehicle.

The Committee addressed the previously discussed matter of funding an increase in salary for the County's only certified inspector. Commissioner Cox made the motion that a salary adjustment based on the law in the amount of \$4,000 be made in the line item for the Building Inspector's Assistant who is the only certified inspector at this time. Commissioner King seconded the motion and the motion was approved.

The Committee addressed the previously discussed matter of funding an increase in salary for the Veterans' Service Officer's Assistant who will be taking on additional responsibility as the Officer is going to be working only part time in the future. A motion was made by Commissioner Seay to take \$4,007 from the Service Officer's salary line item and make a salary supplement line item to put that amount in. The Assistant will be paid this supplement until a full-time Service Officer is hired in the future. A second was made by Commissioner Cox and the motion was approved. It was also decided to leave \$26,081 in the Supervisors Salary line item to be there if needed when hiring someone full time in the future and to pay the part time Officer up to \$12,000 from that line.

Minutes of the 7/7/10 and 7/14/10 budget meetings were approved upon a motion by Commissioner Seay and second by Commissioner Cox.

It was decided that the next meeting would be Friday, July 16 at 1:00 p.m.

The meeting adjourned.

Mr. Daryl Bryan explained where the appropriation from the County to NPAC is used. He noted that band programs and choral programs are performed by all schools at no cost; the annual Youth Summit is held for all 8<sup>th</sup> graders; and they subsidize tickets for students at no cost or no more than \$5.00 per ticket for several performances. Approximately 15,000 students use the facility annually and near 50,000 attend performances annually. NPAC is a non-profit organization and NPAC leases the building from the School Dept. The city made a large contribution (approximately \$700,000) for the parking area and other costs and do not contribute annually. The school system pays about ½ the costs.
