**Greene County Insurance Committee  
Regular Meeting-Minutes Open Session**

August 17, 2011 9:45 a. m.

Greene County Annex Building, Greeneville, Tennessee

**DEBRIS COMMITTEE**  
**AUGUST 8, 2011**

The Debris Committee of the Greene County Commission met on August 8, 2011 at the Courthouse Annex. Members present were Margaret Greenway, Brenda Grogan, Jan Kiker, and Robin Quillen. Tim White was absent.

Chairman Jan Kiker called the meeting to order. She turned the meeting over to Building Inspector Tim Tweed and County Attorney Roger Woolsey. The purpose of this meeting was to review a resolution that was developed by Tweed and Woolsey to have less paperwork and a few minor changes to the current resolution for the filing and handling of Health and Safety Standards complaints.

During the meeting, Woolsey highlighted the changes he had made following the committee's recommendations and the recommendations of Tweed. Many of the changes highlighted simplified the process while still exceeding the requirements set by law, Woolsey said.

The new procedure, Woolsey said, would only require one property owner, rather than two, to file a complaint before Tweed would investigate. Those filing a complaint would also no longer have to swear that they would appear in court if the matter persists. However, that individual would have to own property within a quarter-mile of the property in question and must file the complaint in person at the Building and Zoning Office. The procedure would also allow for emergency personnel and county employees to report violations witnessed in the performance of their duties. Should Tweed determine that the property is in violation, he would ensure that the property-owner is contacted via certified mail. If this is not possible, he would then serve notice via personal service or by publication of the notice for two consecutive weeks in *The Greeneville Sun*, according to the resolution. The property owner would then have 30 days to file an appeal or clean up their property. However, should the property owner not take action, Tweed would report to the committee before having the property cleaned and billing the owner.

Woolsey also clarified that, should the property-owner request a hearing before the committee, there would be no action taken until they heard from the individual. In addition to the documentation required for each step of the process, Tweed is also currently required to keep a daily journal. Woolsey said he simplified those requirements, but the committee asked that Woolsey completely remove the journal from the list of duties. Chairman Jan Kiker said, "I want to make Tim's job easier." Commissioner Robin Quillen agreed.

A motion was made by Brenda Grogan and seconded by Margaret Greenway to accept the new changes in the resolution and it was approved unanimously by members of the committee. The resolution will also have to be approved by the full commission at the September meeting.

In other business, the committee also agreed to a second 30-day extension on cleanup at Rhonda Hart's property on Whirlwind Road. Hart first received a notice of violation in March 2011, but has made some effort on the cleanup and is also dealing with family health issues, Tweed said. Kiker said that the committee desires to be understanding of those issues, and all agreed to the extension.

There was no more discussion. The next meeting was set for October 12 at 2 p.m. The meeting was adjourned.

Respectfully submitted,

Jan Kiker

## **Greene County Commissioner's Budget Workshop**

### **Budget Workshop Meeting-Minutes**

August 15th, 2011-1:00

Greene County Health Department Conference room, Greeneville, Tennessee

#### **PROPOSED BUDGETS:**

Director of Finance Mary L. Shelton presented the proposed budgets for each county fund. She began with the revenues and the expenditures for the General Fund. All other funds were examined along with the non- profits.

Mayor Broyles stated that the Budget and Finance Committee had met multiple times and they had made every effort possible unless it was absolutely necessary to keep the bottom line of each department the same as last year. He pointed out the 840,000 that was taken out of the General fund and put in to the Self Insurance fund. He said that the County Audit said to handle it this way once we became self insured.

The Mayor talked about the overall budget including a part time person hired in as a custodian in the County Buildings & Maintenance Department. He said that she will be working 20 hours at the Courthouse and 20 hours at the Annex. Also Shawn Street, Greene County Health Department director had been notified that there had been a decrease in the Local Heath Grant which decreases the revenues and expenditures.

Questions were asked about salary increases and Mr. Broyles stated that the Budget and Finance Committee did not feel the Commission could approve across the board raises without a tax increase. The County would need to pay out an additional \$ 296.143 in order for a 1.6 percent raise to happen.

Sheriff Steve Burns said that he believes he could cover one third of the cost with unanticipated revenue sources that he would be receiving. Commissioner Bill Moss said that based on the amount that Mayor Broyles had stated that it would take to have a 1.6 raise; a 3cents tax increase would have to happen. Commissioner Kiker said that she would not vote for the budget without the school systems raises. The Greene County School Boards' Chairman Roger Jones agreed with her and stated that the salary increase was only \$22,000. The School Board had chosen to extend a 1.6 percent increase raise for all school employees.

Mayor Broyles pointed out to each Commissioner to vote according to their conscience at the August 29<sup>th</sup> meeting.

Regina Nuckols  
Secretary

**REDISTRICTING COMMITTEE**  
**AUGUST 29, 2011**

The Redistricting Committee met on August 29, 2011 in the Conference Room of the Annex. Members present were Margaret Greenway, Jan Kiker, Fred Malone, Bill Moss, Robin Quillen, and Hilton Seay. Rennie Hopson and Phil King were absent.

The meeting was called to order by Chairman Robin Quillen. As Chairman Quillen opened the meeting, she recalled that she recently visited Donna Burgner, Administer of Elections, office to look at maps of various redistricting options. The biggest concern, she said, is which option would result in the least amount of movement into other districts, involving the least amount of people. Committee Bill Moss said he understood that the biggest concern with the seven-district plan is that five of the existing commissioners would be running for three seats. Moss said, a seven district plan would make everything be aligned.

Quillen turned the meeting over to Donna Burgner. She brought a new seven-district plan on Monday in response to some committee members. In the previous Redistricting meeting in July, the committee voted to adopt an eight-district plan. Commissioner Jan Kiker expressed opposition to the seven-district plan, stating that the committee already approved an eight-district commission plan.

Also speaking to the committee in favor of the seven-district plan were non-member Commissioners Robert Bird, David Crum, and Nathan Holt. Crum noted that the change in districts would be a decision that will last for at least 10 years. "I think it's imperative that they all line up," he said. "If it's all the same, it's got to be much more cost-effective and much easier for the Election Commission." Holt said of a seven-district plan, "That's really something you should consider," noting that such a change would result in cost savings for elections. Bird said he thinks the seven-district plan makes the voting process easier for everybody. Burgner added that having the same seven districts for all three sets of races would reduce confusion among voters.

County Attorney Roger Woolsey said most voters cannot tell you what three districts they live in. "All they know is who they vote for, and that's if you're lucky."

Chairman Quillen asked County Mayor Alan Broyles for his opinion. Broyles said he agreed with Mr. Moss. "The best and simplest thing would be to go with the seven-district plan.

After reviewing the maps and hearing opinions from some of the six non-member commissioners who attended, the committee voted 3-2 to rescind its vote in July for an eight-district plan. Jan Kiker and Margaret Greenway voted against rescinding. Bill Moss, Fred Malone, and Hilton Seay voted for it. The same vote occurred for moving forward with a seven-district plan, although the committee did not approve a specific plan.

Chairman Quillen asked Burgner to return with a list of precincts in each district for both the old and the new seven-district plans.

The committee scheduled its next meeting for 2 p.m. Monday, Sept. 12, the the Courthouse Annex.

Respectfully submitted,

Jan Kiker

**Greene County Commission Education Committee**  
**August 4, 2011**

The Greene County commission Education Committee met Thursday, August 4, 2011 at the Greene County Schools Central Office.

The meeting was called to order by Chairman Seay and present were Commissioners Hilton Seay, Hoot Bowers, Jan Kiker, Wade McAmis, Brenda Grogan and David Crum. Also in attendance were Director of Schools Dr. Kirk and Roger Jones, Rex Hopson, Nathan Brown, Clark Justice and *Greeneville Sun* report Ken Little.

Items of business included the budget for 2011-2012. The increase in salary is due to step raises, degree changes and state mandated 1.6% increase. A listing comparing new employee's salaries and those salaries due to retirements/resignations indicate a total saving of \$311,090 that school board is of opinion the salary money is there and is being utilized to pay for 1.6% increase for all employees. Dr Kirk stated they have calculated a 1% sales tax increase and a 1% property value increase (not a property tax increase but an increase in value) that they are not asking for an increase in the maintenance of effort. Math textbooks are a major expense as purchase for all grade levels is \$105,900.

Capital Improvement was developed in a three tier format and included in notes from June 2<sup>nd</sup> meeting will have been done or should be done by Christmas with the exception of replacement of carpet at the education center.

Race to the Top information is provided.

WGHS was a little behind in the start and there will be an open house August 16 at 6:30 for new students if any commissioner would like to attend they are most welcome.

Meeting adjourned at 4:38.

2. Invocation
3. Pledge of Allegiance
4. Roll call
5. Reading and approval of minutes
6. Public hearing
7. Reports - county officials, standing and special committees
8. Elections, appointments and confirmations
9. Unfinished business
10. New business
11. Other business
12. Announcements and statements
13. Adjournment

The order of business is considered a framework for the agenda. Items normally falling under the category of new business or other business that are not listed on the agenda may not be considered unless the rules are suspended. See Rule 11.

### **RULE 4 - SECRETARIAL**

All business and secretarial work of the Board shall be performed by the County Mayor's office, as has been the precedent for Greene County.

### **RULE 5 - GENERAL**

- 5A. *WHO MAY ADDRESS THE BOARD:* It is a commissioner's right to address the Chairman and the Board at any appropriate time after proper recognition by the Chairman. Non-commission members may address the Board by being placed on the agenda or by being recognized by a member at the appropriate time. The Chairman shall set a limit on the time non-commission members may be allowed to speak. Non-commission members shall first state their name, address and issue they will be discussing prior to their remarks. The Chairman has the authority to revoke the remaining time of a non-commission member for making derogatory remarks of a personal nature, using foul/offensive language or any other behavior deemed inappropriate.

- 5B. *GAINING THE FLOOR*: In all cases, the commission member who shall first request to speak by using their keypad shall be entitled to speak first after being recognized by the Chairman. If the Board ceases the use of keypads, the Chairman shall determine the appropriate method of gaining the floor.
- 5C. *SPEAKING*: After gaining the floor for purposes of speaking in debate, discussion or to deliver any address on any matter whatsoever to the Board, the commission member shall rise and respectfully address the Chairman and shall proceed with the intended remarks, confining such remarks strictly to the question under debate and avoiding all personalities.
- 5D. *CONSENT TO YIELD*: While a commission member is speaking, he/she is not to be interrupted, except for a question by another commission member. If the speaker declines to yield the floor for a question, then he/she shall not be interrupted, but shall yield to questions at the end of the presentation.
- 5E. *POINTS OF ORDER*: If any commission member, speaking or otherwise, transgresses the Rules of the Board, the Chairman shall, or any commission member may, call to order, in which case the commission member so called to order shall immediately sit down. When the point of order has been decided by the Chairman, the commission member having the floor can proceed, subject to the decision made.
- 5F. *APPEAL ON RULING*: Any commission member of the Board may appeal to the Board from the ruling of the Chairman and a majority vote of the commission members present shall decide the appeal.

## **RULE 6 - MOTIONS**

- 6A. *INTRODUCTION AND DEBATE*: Only commission members may make motions. No motion shall be debated until the same is seconded and stated by the Chairman. Once the Chairman calls for discussion, "ownership" of the motion rests with the full legislative body and must be handled according to Robert's Rules of Order.
- 6B. *MOTIONS IN WRITING*: When a motion is made and seconded, it shall be reduced to writing by the Clerk, and read by the Chairman prior to any debate or vote.
- 6C. *ROLL CALL REQUIRED*: All motions shall be put to the Board for a roll call vote. The roll call vote may be performed manually or by an authorized electronic voting system that utilizes the roll call method and records the vote of each commission member. (Exception: Committee meetings may utilize the voice vote method.)

## **RULE 7 - RESOLUTIONS**

- 7A. *INTRODUCTION*: Only a commission member or a committee that has voted in the affirmative may sponsor any proposed resolution. The Clerk or Chairman shall not receive

or file any resolution that is not reduced to writing and authorized by a commission member or committee voting in the affirmative.

- 7B. *AUTHOR*: A resolution may have as many signatures as there are commission members. However, the first signature on the resolution shall be deemed the author for the purpose of debate.
- 7C. *ROLL CALL REQUIRED*: All resolutions shall be put to the Board for a roll call vote. The roll call may be performed manually or by using an authorized electronic voting system that utilizes the roll call method and records the vote of each commission member. (Exception: Committee meetings may utilize the voice vote method.)
- 7D. *CHANGING VOTE*: Any commission member of the Board may change his/her vote before the results of a vote are "made known." Results of a vote are "made known" when the results are visually displayed, announced by the Clerk or manifested by means of any official method. It shall be the duty of the Clerk, at the end of each roll call, whether performed manually or electronically, to inquire of those who passed or were absent when the roll was called if they desire to vote; also, if anyone who has voted wishes to change his/her vote before the results are "made known." Then, the Clerk shall announce the results.
- 7E. *SUCCESSFUL RESOLUTIONS*: All successful resolutions shall be submitted to the Chairman for his/her signature and attested by the signature of the Clerk. The resolution along with the vote of the commission members shall then be submitted to the County Mayor, within five (5) days of its passage, for his/her consideration.

## **RULE 8 - ELECTIONS AND APPOINTMENTS**

- 8A. *ELECTIONS AND NOMINATIONS FROM THE FLOOR*: When the Chairman is to receive nominations from the floor, a commission member may nominate only one person. The floor will be kept open until every commission member has had an opportunity to make nominations or until a motion has been made and seconded that nominations cease and a two-thirds majority of the Board, excluding vacancies, so vote. T.C.A. 5-5-111 provides additional guidance on this issue.
- 8B. *APPOINTMENTS AND CONFIRMATIONS*: When the Board is called upon to appoint someone from a list of nominees (such as a vacant seat on the Board) or to confirm an appointee of the County Mayor (such as a department head) then the name or names of those being considered for the position shall be read to the commission membership and discussion of each such appointee shall follow.
- 8C. *ELECTION OR CONFIRMATION*: All ballots for election shall be cast by voice vote as the Clerk calls each commission member's name. If the vote is on confirmation of an appointee, each commission member will vote either "yes" or "no" on the confirmation. Ballots on confirmations may be cast using either a manual roll call or an authorized

electronic voting system that utilizes the roll call method and records the vote of each member. A majority of the commission membership of the full Board, excluding vacancies, is required for election or confirmation.

- 8D. *SECOND BALLOT*: If no one is elected on a given ballot, the nominee receiving the smallest number of votes will be dropped, and the vote will be taken again until a nominee is elected by the required majority of the commission membership. If two or more nominees tie for the smallest number of votes, a vote must be taken on the nominees that tied for the smallest number of votes. The nominee with the least number of votes in this round of voting will be eliminated, and the other nominee(s) will proceed to the next round of voting. (Example: There are 21 commission members. Nominee A receives 9 votes. Nominee B receives 4 votes. Nominee C receives 4 votes. Nominee D receives 4 votes. No nominee received a majority of the 21 member Board, excluding vacancies, and three nominees tied for the smallest number of votes. Therefore, commission members must vote between Nominee B, Nominee C and Nominee D. The nominee with the smallest number of votes in this round will be eliminated. If Nominee B receives 10 votes, Nominee C receives 7 votes and Nominee D receives 4 votes, then Nominee D will be eliminated. Nominee B and Nominee C will advance to the next round of voting with Nominee A.) The voting process will continue until the required majority of the commission membership of the entire Board, excluding vacancies, elects a nominee.

## **RULE 9 - COMMITTEE MEMBERSHIP**

According to Tennessee Code Annotated, the authority to appoint committee members is delegated to the County Mayor, unless provided otherwise by a higher authority. T.C.A. 5-6-106(c) states, "Except as otherwise provided by general law, or special or private act, the county mayor shall appoint members of county boards and commissions and county department heads. Such appointees shall be subject to confirmation by the county legislative body, and in so doing, the legislative body may express its views fully and freely and shall vote for or against confirmation. The legislative body shall not seek or interview such prospective employees prior to their appointment by the county mayor. Such appointment and confirmation are not applicable to employees appointed by other elected county officials."

## **RULE 10 - APPROPRIATION REQUESTS**

*REQUESTS FOR APPROPRIATION*: Requests for appropriations in addition to those within the annual budget shall be submitted in the following manner.

- 10A. The request shall be submitted in writing to the appropriate committee of the Board and shall reflect the estimated cost, which shall be attached to the proposed resolution.
- 10B. All requests for appropriations falling in this area shall be summarized and submitted in writing to each commission member of the Board at least ten days prior to the regular or called meeting such request is to be submitted

10C. The committee to which the request has been referred shall in open meeting of the Board, assume one of the following positions: (1) Adoption recommended (2) Rejection recommended or (3) Submitted to the Board without recommendation.

10D. The budget committee chairman or a commission member designated by him/her shall advise the Board as to fund availability before a vote is taken on appropriations in any amount which are in addition to those of the annual budget.

10E. The resolution requesting such appropriations shall be voted upon by commission membership as provided by Rule 7 of these rules.

### **RULE 11 - SUSPENDING THE RULES**

Any rule or rules may be suspended by a two-thirds majority vote of the entire Board, excluding vacancies.

### **RULE 12 - ROBERT'S RULES OF ORDER**

All matters not covered herein shall be governed by Robert's Rules of Order Revised, as contained in the latest copyrighted edition.

### **RULE 13 - THE CHAIRMAN**

13A. *ELECTION*: Annually, at its September regular meeting, the Board shall elect a Chairman and a Chairman Pro Tempore. The Chairman may be one of the membership of the Board or the County Mayor. If the Board elects as its Chairman the County Mayor and he/she accepts the position, then the County Mayor shall relinquish his/her veto power. A commission member who is a candidate for either of these offices shall not vote in the election in which they are a candidate. A commission member may vote if he/she has been eliminated in a prior round of voting. Procedures for electing the Chairman and Chairman Pro Tempore shall follow Rule 8.

13B. *VOTING BY THE CHAIRMAN*: The County Mayor Chairman may vote only in the case of a tie. A commission member Chairman may vote on all issues coming before the body, just as any other commission member. However, a commission member chairman shall not be allowed to vote a second time to break a tie. Although a County Mayor Chairman may vote to break a tie, it does not negate the fact that a majority of the entire membership of the Board, excluding vacancies, is still necessary to pass any item that would have required a majority without the vote of the County Mayor Chairman. (Example: The Board is composed of 21 members, and no vacancies exist. Three members are absent, and a vote is taken on a resolution. The outcome is 9 yes votes and 9 no votes. The

County Mayor Chairman may vote to break the tie; however, it will have no effect since a majority vote of the 21 member Board requires a minimum of 11 votes.)

- 13C. *CALL TO ORDER*: The Board shall be called to order by the Chairman. In the absence of the Chairman, the Chairman Pro Tempore shall preside. In the absence of the Chairman Pro Tempore, the Board shall be called to order by the County Clerk, and shall elect one of its commission members to preside over the deliberations.
- 13D. *SPEAKING*: Should the Chairman desire to speak upon any subject either in the negative or the affirmative, he/she may do so, provided he/she vacates the chair. Whereupon the Chairman Pro Tempore shall preside until the Board disposes of the matter under consideration. However, the Chairman may answer questions, provide information, and give explanations from the chair, the Board not objecting.
- 13E. *PRESERVE ORDER*: The Chairman shall preserve order and decorum. He/she may speak to points of order in preference to other members, rising from his/her seat for that purpose. The Chairman shall decide questions of order, subject to an appeal to the Board of any commission member.
- 13F. *ORDER OF RECOGNITION*: Before a commission member is allowed to speak twice on the same subject the Chairman shall inquire if there is another commission member who has not spoken on that subject and who wishes to speak. An authorized electronic voting system with a feature that lists commission members, in speaking order, shall meet the requirements of this section.
- 13G. *MOTIONS*: Once a motion has been made and duly seconded, the Chairman shall state the motion so that debate on the motion may begin.
- 13H. *CLARIFICATION*: The Chairman shall rise to state or put a question and shall clearly state the question before the Board before the vote on the question is taken. A commission member may ask for clarification of the question up until the result of the vote is announced.
- 13I. *AGENDA*: The Chairman shall forward to each commission member of the Board the tentative agenda of the next Board meeting not less than ten days prior to meeting date.

#### **RULE 14 – THE CLERK**

- 14A. *NOTICE*: The Clerk shall notify each commission member of the Board of any special or called meetings not less than five days in advance thereof. Notification of regular meetings shall be within the discretion of the Clerk and the Chairman.
- 14B. *MINUTES*: The Clerk shall reduce the minutes of each Board meeting to writing and attach a copy of each resolution considered and the vote thereon. The minutes shall be prepared within five days after said meeting and placed in a well-bound book for public

inspection. A copy of the minutes of the last meeting shall be forwarded to each Board member with the prepared agenda or meeting notice.

- 14C. *RESOLUTIONS*: A copy of all resolutions approved by the Board shall be submitted to the County Mayor, within five days after such approval, for his/her consideration and signature.
- 14D. *ROLL CALL*: In all instances involving authorization to expend public funds, the Clerk shall call the roll for "yes" and "no" votes. The roll call may be performed manually or by using an authorized electronic voting system that utilizes the roll call method and records the vote of each commission member. In all instances where the roll is called for any vote, the Clerk shall make such roll call and the vote of each commission member a part of the record of the meeting and include it in the official minutes.
- 14E. *CHANGE OF VOTE*: Any commission member may change his/her vote before the results of a vote are "made known." Results of a vote are "made known" when the results are visually displayed, announced by the Clerk or manifested by means of any official method. It shall be the duty of the Clerk, at the end of each roll call, whether performed manually or electronically, to inquire of those who passed or were absent when the roll was called if they desire to vote; also, if anyone who has voted wishes to change his/her vote before the results are "made known." Then, the Clerk shall announce the results.

### **RULE 15 – SHERIFF**

The Sheriff or a designated deputy shall attend each session of the Board. That officer shall preserve order and carry out orders of the presiding officer of the Board. The attending officer shall be paid for these services, unless such officer is performing this duty during regular working hours, paid by the county, and is not working overtime.

### **RULE 16 – COUNTY ATTORNEY**

The County Attorney shall, as legal consultant, attend all meetings of the Board. It shall be the duty of the County Attorney to voice his/her negative opinion when, in his/her opinion, the Board is in the process of taking action outside of its jurisdiction, or in any manner proceeding illegally, and to give his/her legal opinion on any subject where such guidance is requested by the Chairman or any commission member of the Board.

### **RULE 17 – COMMITTEES**

- 17A. All committees, standing and temporary, shall meet and elect from their membership a Chairman and Vice-Chairman. The election of a Secretary shall be optional in the absence of a specific mandate of the Board.

- 17B. Standing committee chairmen shall report to and confer with the Chairman on all pertinent matters to be presented at the next meeting of the Board.
- 17C. All committee chairmen shall contact the County Attorney on matters appearing to warrant legal evaluation prior to presentation to the Board.
- 17D. Should questions arise as to jurisdiction of any committee it shall be referred to the Chairman and/or to the County Attorney for determination, subject to an appeal to the Board at its next regular meeting.
- 17E. The following procedure shall be followed pertinent to committee reports and related action:
1. The committee chairman or a commission member designated by him/her shall make the presentation in an open meeting of the Board.
  2. Upon completion of a report the speaker shall yield to questions.
  3. There shall be a vote on the proposition when discussion is complete and when there is a call for the question by the Board.
- 17F. If for any reason the chairman of a committee fails or refuses to call a meeting, the Chairman of the Board, or a majority of the committee membership may do so.

### **RULE 18 – CONFLICT WITH LAW**

In the event any of the foregoing rules are determined to be in conflict with statutory provisions, then that part in conflict shall be null and void.

### **RULE 19 – AMENDMENT OF RULES**

These rules may be altered, amended, or repealed and new rules may be adopted by the Board only after the suggested change or modification is presented in writing to a regular meeting of the Board for consideration at a regularly scheduled meeting of the Board, at which time it shall be voted upon and a two-thirds majority of commission members, excluding vacancies, is required for approval of such change or modification. Nothing herein shall be construed to in any way affect the right of the Board in session to suspend the rules upon a two-thirds vote of the entire commission membership, excluding vacancies.
