A PROCLAMATION FOR DOMESTIC VIOLENCE AWARENESS MONTH

WHEREAS, October, 2009 has been designated as National Domestic Violence Awareness Month in an effort to prevent and punish the perpetrators of this crime and to bring hope and healing to those affected by it; and

WHEREAS, domestic violence is the largest single cause of injury among women seen at hospital emergency rooms, more common than auto accidents, muggings, and rapes combined. It traumatizes victims, harms families, threatens communities, and children subjected to it often grow up to inflict violence on others, creating a cycle of violence that must be stopped; and

WHEREAS, millions of dollars have been spent nationwide in prevention and assistance efforts, federal prosecutions in cases involving violence against women have increased tremendously, and the National Domestic Violence Hotline have answered millions of calls for help-all indications that strengthening services for victims is needed; and

WHEREAS, nonprofit and faith based programs and their volunteers work closely with law enforcement, medical and legal services in an effort to offer critical assistance and support to those in need and the recent increased commitment by the federal government has made it possible for local communities to strengthen their response to victims of domestic violence, sexual assault, and stalking; and

WHEREAS, Greene County wishes to join with other communities across the country in this month long effort to raise public awareness about how to prevent, recognize and stop domestic violence.

NOW, THEREFORE, I, Alan D. Broyles, by virtue of the authority vested in me as Mayor of Greene County, Tennessee, do hereby proclaim the month of October 2009 as

“DOMESTIC VIOLENCE AWARENESS MONTH”

in Greene County, Tennessee, and urge all citizens to recognize those who dedicate their lives to battling this crime and to work together to find solutions to this problem in our community.

This the 19th day of October, 2009.

County Mayor

County Clerk

County Attorney

PUBLIC HEARING

Mayor Broyles read a proclamation declaring October as Domestic Violence Awareness Month. The Mayor, the County Attorney and the Clerk then signed the proclamation.

Randy Harrell presented the Three Star Certificate to Mayor Broyles. Ms. Judy Sexton addressed the Commissioners concerning funding the repairs at the Airport. Mr. Larry Parman addressed the Commissioners with concerns about the fees being voted into place. Ms. Madge Walker addressed the Commissioners about her concerns that the Library was not funded at the same or more than last year and that the maintenance of effort level is not being met. She suggested that the funds be taken from the Hotel/Motel tax.

REPORTS

There were reports from the Solid Waste Dept. and Committee minutes in the package. Commissioner Alexander spoke about the meeting in Chattanooga in October. Ms. Grogan said she was impressed with the vendors present at the meeting and that we should consider calling some of the people involved in using existing buildings for jails if and when this issue comes up again.

Mayor Broyles noted that we are still negotiating on the Water Wheel. He and the County Attorney also informed the Commissioners that we must declare, by voice vote, that there is now a vacancy on the Commission in the Third Commission District, put a notice in the paper and proceed with the process as the law lays out the procedure so that we can nominate and vote on someone to fill the position in November at the regular Commission meeting.
