**A RESOLUTION TO RESCIND THE RESOLUTION AUTHORIZING THE
AMENDMENT TO THE CURRENT BUDGET TO FUND A FIVE (5%)
PERCENT SALARY/WAGE INCREASE FOR ALL EMPLOYEES
(OTHER THAN CONSTITUTIONAL OFFICIALS)**

WHEREAS, the Greene County Legislative Body, meeting in a regular session on December 21, 2020 authorized a five (5%) percent cost of living raise effective January 6, 2021 for all employees of Greene County Government (not including constitutional officials) with further adjustments to salaries based on the salary survey and/or cost of living index to be considered by the County Commission during the budget process for the 2021-2022 budget year.

WHEREAS, Jason Cobble who voted in favor of the resolution above described has stated: "I am not against the giving of a raise to the county employees and I have not found anyone that is. I failed to follow the process established that gives the taxpayers the most assurance of future stability for the additional budget item. Because the amount is large and recurring, I want to make certain to check every box so that giving a raise will not negatively impact those receiving the raise as well as the taxpayers. If this resolution fails, then I have satisfied my conscience. If by some chance it moves forward, I want to bring a resolution proposing a 5% pay raise for county employees to be approved by the budget and finance committee;" and

WHEREAS, Jason Cobble who voted in favor of the resolution above described now desires to rescind the resolution authorizing the five percent (5%) cost of living raise for all employees of Greene County Government passed by resolution at the December 21, 2020 Greene County Legislative Body Meeting.

A.

NOW, THEREFORE BE IT RESOLVED by the Greene County Legislative Body meeting in regular session on the 19th day of January, 2021 a quorum being present and a majority voting in the affirmative that the resolution of December 21, 2020 authorizing and approving a five (5%) percent cost of living raise for all employees of Greene County Government be rescinded and that the authorized budget adjustments for the cost of living raises for each department not be appropriated from the respective fund balances.

**A RESOLUTION TO AUTHORIZE THE COUNTY MAYOR TO SEEK BIDS FOR
THE RENOVATION OF THE SEPTIC SYSTEMS AT KINSER PARK**

WHEREAS, Greene County has jointly and individually operated Kinser Park in southern Greene County on property owned by the County and property leased from the Tennessee Valley Authority for more than forty years providing campsites and recreational opportunities for the citizens of Greene County as well as citizens from surrounding areas; and

WHEREAS, Kinser Park presently has 138 seasonal campsites and 23 weekend campsites serviced by a series of septic systems that are antiquated and deteriorating which can no longer handle the volume of discharge generated at the campsites; and

WHEREAS, because of the intrinsic value of Kinser Park to the citizens of Greene County, it would appear to be in the best interests of the citizens of Greene County and of Greene County Government to renovate the sewage systems for Kinser Park; and

WHEREAS, the Kinser Park Oversight Committee requested the assistance of the Tennessee Department of Environment and Conservation (TDEC) to analyze and study the needed renovations and repairs to be performed to all septic systems that would service Kinser Park for many years to come; and

WHEREAS, Eric Ball with TDEC, after intensive study of the needs of the Park, has designed a system of septic tanks and drainage fields to accommodate the discharge from the campsites at Kinser Park; and

WHEREAS, it appears that the next logical step is to authorize the County Mayor with the assistance of the Purchasing Department to take bids for the installation of the septic systems as designed by the Department of Environment and Conservation to allow the County Commission to consider the actual cost in making the improvements as described above to Kinser Park.
