

## MEMORANDUM

To: The Greene County Regional Planning Commission  
From: Amy Tweed, Planning Coordinator  
Lyn Ashburn, Research/Special Projects  
Tim Tweed, Building Official  
Date: April 4, 2025  
Subject: Passing of Sam Riley  
Cancellation of the April 8, 2025 Planning Commission meeting

We'd like to acknowledge the passing of Sam Riley on April 1, 2025. It had been evident that Sam had been in poor health in recent months, but we were surprised and saddened by his death. We will miss his entertaining nature and deft hand with Planning Commission matters.

We have decided to cancel the meeting scheduled for April 8, 2025, due to a lack of business. While there are a number of administrative plats to be reported, there are no subdivisions or other business requiring Planning Commission action.

The next meeting will be held on May 13, 2025.
