PUBLIC NOTICE June 8, 2026

FROM : Greene County Building & Zoning Department

RE: Planning Commission Meeting on June 9, 2026

Notwithstanding circulating rumors to the contrary, notice is hereby given that the Planning Commission meeting scheduled for 1:00 pm on June 9, 2026, has not been canceled and will convene as regularly scheduled.

The rezoning application submitted by Vulcan Land Incorporated has been formally withdrawn. Accordingly, neither the applicant nor Planning Commission staff will present or act upon the merits of the withdrawn application.

Notwithstanding the withdrawal of the application, public comment will be permitted during the scheduled meeting. Due to time constraints, there has been insufficient opportunity to provide formal notice of the withdrawal to all affected property owners and interested parties. Additionally, several individuals were previously scheduled to address the Commission, and further public attendance is anticipated.

This notice is provided for informational purposes to ensure transparency and to avoid any misunderstanding regarding the status of the meeting and agenda item.
