Greene County Government

Memorandum

To: The Honorable Greene County Commissioners
From: Mayor Kevin C. Morrison
Subject: October 19th Greene County Commission Meeting Postponed

Greene County Commissioners,

Please be advised that the October 19th meeting has been postponed until November 16, 2026, due to a lack of business requiring immediate action.

At a cost of over $6,000 to convene a meeting, and in an effort to remain fiscally responsible with county resources, we will not hold the October session. The meeting has been rescheduled for **November 16, 2026**. The two Highway Resolutions that we received will be moved to the November agenda.

In addition, please note that during the week of October 19th we will be moving. The Mayor's Office, Accounting, County Attorney, Human Resources, Insurance, Payroll, and Purchasing Offices will all be relocating to the second floor of the Greene County Administration Center. These offices will be **closed on October 22 and 23** to complete the move and will **reopen on Monday, October 26** with normal business hours in their new location.

Thank you for your continued service to Greene County.

Respectfully,

Kevin C. Morrison
